Barker, 2016 The election of Barack Obama as the first African American President of the United States was an historic event that evoked strong emotional reactions in people across the nation and the world In Obama on Our Minds psychologists studying racism stereotyping ethnic identity sexual orientation and immigration all come together to analyze the enormous impact of Barack Obama s presidency The Faith of Barack Obama Stephen Mansfield, 2011-11-21 You must read this perceptive and well written book Then you will know why Barack Obama has such a passion for justice and equity Archbishop Desmond Tutu Barack Obama The speculation about his religious life abounds Is he a closet Muslim Is he really a Christian Did his faith have anything to do with his governing As the picture of President Obama s faith has emerged questions about the foundation of his beliefs continue to ignite debate In this updated edition of his international

bestseller *The Faith of Barack Obama* New York Times bestselling author Stephen Mansfield explores the claims of Obama's detractors and supporters alike while examining how the challenges of the presidency shaped Obama's religious beliefs. This evenhanded account of the former president's spiritual life provides a closer look at the people and events that have influenced his belief system. Mansfield analyzes Obama's friendship with the controversial Jeremiah Wright and also profiles the Christian leaders who offered guidance and support during the president's challenging term. Mansfield takes you inside the religious life of Barack Obama, introducing you to the type of preaching the president heard at Camp David and even revealing details such as the content of the daily devotional readings the former president received on his cell phone. This fascinating study explains the faith elements within Obama's politics while acknowledging the questions about his beliefs that remain unanswered. Mansfield presents an analysis of Obama's distinctly postmodern journey that will generate valuable discussion across the religious spectrum. Publishers Weekly

Barack Obama and Leadership Joseph Andrews, 2012-07 How Did Barack Obama So Quickly Squander the Goodwill of the Nation and the World? In *Barack Obama and Leadership: 10 Reasons the 44th President Squandered Unprecedented Goodwill* Joseph Andrews offers an insightful scholarly response to this question, citing poignant facts, statistics, and incisive documentation. Andrews details both Barack Obama's election due to a campaign that promised hope and change, as well as a presidency that delivered little change and left the hopes of far too many Americans unrealized. Andrews pinpoints ten reasons why the Obama presidency has proven ineffective and deflated the confidence of the American people: Executive Inexperience, Lack of Appropriate Mentoring, Questionable Integrity, Misunderstood Mandate, Aversion to Values, Weak Governing Philosophy, and more. Strong leadership on the part of the President of the United States is important to Americans. *Barack Obama and Leadership: 10 Reasons the 44th President Squandered Unprecedented Goodwill* paints a revealing portrait of a president whose weakness and shortcomings not only cost him the faith and goodwill of the nation but of the world as well. In these pages, find an engaging read that shines a revealing light on the shaping influences, defining decisions, actions, policies, and ultimately the legacy of President Barack Obama. Joseph Andrews is an alumnus of Jerry Jenkins' Christian Writers Guild and a member of the Christian Authors Guild, Woodstock, Georgia. He is a member of the general leadership of World Outreach Missions, WOM, a globally oriented leadership and missions ministry in Lawrenceville, Georgia. He has an executive background in both human resource management and marketing. As a leadership resource person, his interests are in transformational leadership and the principles that engender this in organizations and societies. He lives in Lawrenceville, Georgia, with his wife, Magdalene, and their two children, Joshua and Abigail.

Barack Obama and the Future of American

Politics Paul Street, 2015-12-22 Many Americans believe Barak Obama represents a hopeful future for America But does he also reflect the American politics of the past This book offers the broadest and best informed understanding on the meaning of the Obama phenomenon to date Paul Street was on the ground throughout the Iowa campaign and his stories of the rising Obama phenomenon are poignant Yet the author s background in American political history allows him to explore the deeper meanings of Obama s remarkable political career He looks at Obama in relation to contemporary issues of class race war and empire He considers Obama in the context of our nation s political history with comparisons to FDR JFK Bill Clinton and other leaders Street finds that the Obama persona crafted by campaign consultants and filtered through dominant media trends masks the change candidate s adherence to long prevailing power structures and party doctrines He shows how American political culture has produced misperceptions by the electorate of Obama s positions and values Obama is no magical exception to the narrow spectrum electoral system and ideological culture that have done so much to define and limit the American political tradition Yet the author suggests key ways in which Obama potentially advances democratic transformation Street makes recommendations on how citizens can productively respond to and act upon Obama s influence and the broader historical and social forces that have produced his celebrity and relevance He also lays out a real agenda for change for the new presidential administration one that addresses the recent failures of democratic politics TIME
