The Holy Spirit, or, Power from on high A.B. Simpson,2007 The Holy Spirit or Power from on high an unfolding of the doctrine of the Holy Spirit in the Old and New Testaments Part II The New Testament Holy Murder Charles Kelly,Birney Hoffman,2019-11-22 Holy Murder first published in 1934 is a fascinating controversial look at the Avenging Angel of the Mormon Church Porter Rockwell The authors trace the violent history of the Mormon Church beginning with its origins in New York and Illinois to the flight of its members and their settlement near the Great Salt Lake Citing numerous sources and interviewing witnesses and descendants the exploits of Rockwell are detailed to form a picture of a man on the one hand kind to children and his friends while on the other capable of the most grisly murders of perceived enemies of the church

Although open to criticism for its anti Mormon bias attempting to accurately portray Rockwell is difficult as he did not keep a personal diary and many of his activities were shrouded in secrecy Included are 12 pages of illustrations *Holy Humanitarians* Heather D. Curtis,2018-04-16 On May 10 1900 an enthusiastic Brooklyn crowd bid farewell to the Quito The ship sailed for famine stricken Bombay carrying both tangible relief thousands of tons of corn and seeds and a tender message of love and sympathy from God s children on this side of the globe to those on the other The Quito may never have gotten under way without support from the era s most influential religious newspaper the Christian Herald which urged its American readers to alleviate poverty and suffering abroad and at home In *Holy Humanitarians* Heather D Curtis argues that evangelical media campaigns transformed how Americans responded to domestic crises and foreign disasters during a pivotal period for the nation Through graphic reporting and the emerging medium of photography evangelical publishers fostered a tremendously popular movement of faith based aid that rivaled the achievements of competing agencies like the American Red Cross By maintaining that the United States was divinely ordained to help the world s oppressed and needy the Christian Herald linked humanitarian assistance with American nationalism at a time when the country was stepping onto the global stage Social reform missionary activity disaster relief and economic and military expansion could all be understood as integral features of Christian charity Drawing on rigorous archival research Curtis lays bare the theological motivations social forces cultural assumptions business calculations and political dynamics that shaped America s ambivalent embrace of evangelical philanthropy In the process she uncovers the seeds of today s heated debates over the politics of poverty relief and international aid *Sri Sarada Devi The Holy Mother* Swami Tapasyananda,2020-03-07 This is one of the first comprehensive biographies of Holy Mother Sri Sarada Devi in English The author Swami Tapasyananda who was a scholar monk of great eminence and one of the vice presidents of the Ramakrishna Order has incorporated all relevant biographical materials from various literary sources in Bengali besides testimonials and first hand information gathered from monks and women disciples of the Holy Mother He has interpreted the life of the Holy Mother as the expression of the ideal of Divine Motherhood This book will help the readers and devotees acquaint themselves with her holy life *Holy Spirit Speaks* Brenda Nash PhD,2018-06-30 Brenda Nash takes the idea of hearing God and makes it accessible for all of us I have seen her personally walk out the things that are on the pages of this book and have been impressed with God in her and her ability to hear God in a way that is biblical grounded and solid The daily devotional format helps unpack a broad range of ideas in a way that you can easily activate every day I would highly recommend that you dive into this book and discover for yourself how you can hear God and have Him become that real tangible person in your life Enjoy Aubrey Krahn senior pastoral team Church of the Rock Winnipeg Mb ARE YOU UNSURE WHETHER YOU CAN HEAR GOD ARE YOU LONGING TO GROW MORE INTIMATE WITH HIM *Holy Spirit Speaks* is a unique yet comprehensive workbook created to provide you with practical and spiritual tools in learning how to hear God spirit to Spirit Whether it s applied as part of a personal or group

Nathan B. Werner,2010-03 How can God allow such a terrible thing Why does a good God allow pain and suffering The question of suffering in our world has been of perennial interest There have been many intellectual efforts at addressing this knotty problem but few have satisfied The problem of evil strikes close to home for everyone but there have been few fulfilling answers Some cannot reconcile evil in a world made by a loving God In the normal course of life people get bombarded by horrid events in the world and to themselves In Heaven's Sake Nathan Werner explores the concept of a good God allowing pain and suffering in our personal lives and the public domain He proposes that two apparent contradictions the presence of pain and the goodness of God are not incompatible Through a philosophical look at scripture and philosophy Nathan shows that in fact a loving God will use pain to our benefit God is good he is omnipotent he is caring about our condition and he uses trying circumstances to make us stronger How God does this is the challenge Nathan addresses and plumbs new depths of understanding as to the purpose of pain Nathan Werner's home church is Grace Church of Eden Prairie Minnesota where he has taught for many years He is married with five grown children one who is with the Lord through tragedy He is also a grandfather to three boys He has been employed by the United States Postal Service for close to thirty years The Holy City Leslie J. Hoppe,2000 The Holy City begins with a review of the place of Jerusalem in the three Abrahamic religions Judaism Christianity and Islam Each of these is in some way an heir and reinterpreted of the religion of ancient Israel This book proves the place of Jerusalem according to the religious traditions of ancient Israel as preserved in the Old Testament and some early Jewish texts *The Holy Spirit* Albert B. Simpson,1895 The Holy Land Devotional John A. Beck,2022-11-15 God has chosen to reveal himself to humankind in various ways at various times Each of these encounters occurred in real physical locations Even visions such as Jacob's ladder or John's Apocalypse came to people in a particular place Place is inextricably woven into the story of Scripture and it is one of the most meaningful ways in which we can encounter God today Linking these locations with Scripture reflection questions prayer and life changing insight drawn from more than a quarter century of leading travelers through the Holy Land John A Beck offers you a devotional like no other Illustrated with beautiful full color photos The Holy Land Devotional features the sites that Christian pilgrims most often visit allowing you to walk in the footsteps of people like Jacob Joshua Gideon Ruth David Martha Peter and of course Jesus Whether you've been to the Holy Land are planning a trip or just want to know more about the land where Jesus walked this devotional invites you to grow closer to God as you hear him speaking in and through the Holy Land A Study of the Holy Spirit Thomas Polhill Stafford,1920 *God of Holy Love* Peter Taylor Forsyth,2021-05-27 The God of Christian faith is according to Peter Taylor Forsyth a God of holy righteous love As a result

God's intervention in human life is morally robust being in search of the transformation of its recipients toward holy love. Its high point is in the cross of Jesus Christ. This book contains twenty of Forsyth's essays that clarify the nature and manifestation of God's holy love. Forsyth contends that God is an active personal agent who desires interpersonal fellowship with humans under the authority of divine holy love. He attends to the experience of God in moral conscience where one can experience forgiveness and redemption by God. He challenges readers to consider whether their experience includes an encounter with a God who manifests holy love.
