BookShots Lightning fast stories by James Patterson Novels you can devour in a few hours. Impossible to stop reading. All original content from James Patterson. [Salt Water](#) Josep Pla, 2020-12-01 Peter Bush, winner of the Ramon Llull Prize for Literary Translation, brings to English this most prolific and influential of Catalan writers. Dripping with a panache that can turn in a comic instant to the most conciliatory humility, Josep Pla's foray into the land and sea most familiar to him will plunge readers head first into its mysterious and often tasty depths. Here are adventures and shipwrecks, raspy storytellers and the fishy meals that sustain them. After describing the process of beating an octopus with branches to soften up its flesh, Pla writes: "These are dishes that must be seen as a last resort." Pla inflects the mundane with the hidden rhythms of power, sculpting culture so that a hot supper is never just food; it embodies economic precarity and environmental erosion along with its own peculiar flavor. A lifetime of reporting on current events gave Pla the necessary skills to describe the world in all its gritty, funny, invigorating detail.

Guests of God : Pilgrimage and Politics in the Islamic World Robert R. Bianchi Formerly Associate Professor of Political Science, University of Chicago, 2004-09-09 Each year more than two million pilgrims from over 100 countries converge on the holy city of Mecca to reenact the ritual dramas that Muslims have been performing for centuries. Making the hajj is one of the most important duties in the life of a Muslim. The pilgrimage and its impact on international politics is enormous and growing every year, yet Westerners know virtually nothing about it. What is the hajj and what does it mean? Who are the hajjis? What do they do and say in Mecca and how do they interpret their experiences? Who runs the hajj and what are their political

objectives How does the hajj encourage international cooperation among Muslims and can it also promote harmony between Islam and the West In *Guests of God* Robert R Bianchi seeks to answer these and many other questions While it is first and foremost a religious festival he shows the hajj is also very much a political event The Muslim world s leading multinational organization the Organization of the Islamic Conference has established the first international regime explicitly devoted to pilgrimage Every large Muslim nation has developed a comprehensive hajj policy and a powerful bureaucracy to enforce it Yet Bianchi argues no authority secular or religious national or international can really control the hajj Pilgrims believe that they are entitled to travel freely to Mecca as Guests of God not as guests of any nation or organization that might wish to restrict or profit from their efforts to fulfill a fundamental religious obligation Drawing on his personal experience as a pilgrim and a wealth of data gathered over the course of ten years of research Bianchi has produced a fascinating look at the hajj filled with personal candid stories from political and religious leaders and hajjis from all walks of life A wide ranging study of Islam politics and power *Guests of God* is the most complete picture of the hajj available anywhere **Grave**

Manderley Forever Tatiana de Rosnay,2017-04-18 The nonfiction debut from beloved international sensation and 1 New York Times bestselling author Tatiana de Rosnay her bestselling biography of novelist Daphne du Maurier It s impressive how Tatiana was able to recreate the personality of my mother including her sense of humor It is very well written and very moving I m sure my mother would have loved this book Tessa Montgomery d Alamein daughter of Daphn du Maurier as told to Pauline Sommelet in Point de Vue As a bilingual bestselling novelist with a mixed Franco British bloodline and a host of eminent forebears Tatiana de Rosnay is the perfect candidate to write a biography of Daphne du Maurier As an eleven year old de Rosnay read and reread Rebecca becoming a lifelong devotee of Du Maurier s fiction Now de Rosnay pays homage to the writer who influenced her so deeply following Du Maurier from a shy seven year old a rebellious sixteen year old a twenty something newlywed and finally a cantankerous old lady With a rhythm and intimacy to its prose characteristic of all de Rosnay s works *Manderley Forever* is a vividly compelling portrait and celebration of an intriguing hugely popular and at the time critically underrated writer *Manderley Forever* is a nominee for the 2018 Edgar Award for best critical biographical work **The Truth about Crime** Jean Comaroff,John L. Comaroff,2016-12-05 This new book by the well known

anthropologists Jean and John L Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation **Guests of God** Robert Bianchi,2008-03-25 Each year about two million pilgrims from over 100 countries converge on the Islamic holy city of Mecca for the hajj While the hajj is first and foremost a religious festival it is also very much a political event No government can resist the temptation to manipulate the hajj for political and

economic gain Every large Muslim state has developed a comprehensive hajj policy and a powerful bureaucracy to enforce it The Muslim world s leading multinational organization the Organization of the Islamic Conference has established the first international regime explicitly devoted to pilgrimage Yet Robert Bianchi argues no secular or religious authority national or international can really control the hajj State sponsored pilgrimage management consistently backfires giving government opponents valuable ammunition and allowing them to manipulate the symbols and controversies of the hajj to their own ends Bianchi has been researching the hajj for over ten years and draws on interviews with and data from hajj directors in five Muslim countries Pakistan Malaysia Turkey Indonesia and Nigeria statistics from Saudi Arabian hajj authorities as well as his personal experience as a pilgrim The result is the most complete picture of the hajj available anywhere and a wide ranging work on Islam politics and power

Dissidence and

Literature Under Nero Vasily Rudich, 2013-05-13 This work inquires into the impact of dissident sensibilities on the writings of the major Neronian authors. It offers a detailed and innovative analysis of essays, poetry, and fiction written by Seneca, Lucan, and Petronius, and illuminates their psychological and moral anguish. The study is intended as a companion volume to Vasily Rudich's earlier work *Political Dissidence under Nero: The Price of Dissimulation*, where he discussed the ways in which dissident sensibilities of the Neronians affected their actual behaviour. *Dissidence and Literature under Nero* extends this analysis to show how the same sensibilities became manifest in the texts written by the Neronian authors. It explores the pressures on authors under a repressive regime who strive to maintain their artistic integrity. Thus, the argument of this book can be seen as a comparison between the predicament of a Neronian dissident and the situation of the postmodern intellectual. It will interest professional classicists and the wider audience concerned with the ongoing debate on the benefits and perils of rhetorical discourse.
