*Keeping My Mind* Adrian Peel, 2016-03-24 This book is intended for anyone who has questions about their life experience that are causing them inner dissatisfaction Spiritual people sometimes face this because they cant make sense of apparent inconsistencies between what they expect from their faith and what they experience in the practical world Secular people may face a similar type of inner dissatisfaction because external success fails to bring them the type of joy they expect The writing method uses auto ethnography a reflection on Adrians personal experience as he connects his story to wider understandings of the way life works While his Christian worldview is central to the book its emphasis is on the process So readers are encouraged to evaluate the process and models presented but to insert your own life experience against them for the best benefit

Venter,2020-04-28 My motto in life is I am not beautiful like you I am beautiful like me If I have to think back to my school days I always think of myself as the queen of the bitches I was a snob deluxe and looked down on other people But I always say but God While I never knew Him during my early years He NEVER left me This is my story how I saw things through my brokenness The purpose of this book is for people to see that our Father can use any ordinary person and that although your life feels normal it is full of His Goodness and Grace My story is how He prepared me for my purpose for which He created me Each of us has a unique purpose so each of us has a unique story As you read my life story look at your own life and see the Goodness and Love of our Father in it You will also be able to see why He created you and how He is preparing you for your purpose For this time this place these people His Hand is in everything before He created everything He had me in mind for my unique purpose as well as for you think about that In my opinion people can sometimes be so super spiritual that they forget to live I know because I was also there Your life is the platform that the Lord uses to prepare you for your purpose it is part of your destiny Life is like a patchwork blanket Some of the pieces are colorful other paper thin and torn some dull and others beautiful with embroidery Wonderfully made and beautiful At first I just wanted to tell you the ugly but as I ve been thinking about my life lately I ve realized that it would be unfair to do so so I decided to tell the good the bad and the ugly And the funny The Lord also gave us a sense of humor and I Luv it There are many good times I think the Lord sometimes giggles when He thinks of my past Hope that you ll enjoy my journey enjoy     *Ocean of Love, or Sea of Troubles?* Geoffrey Harris,2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second

section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives

**Failure: What Jesus Said About Sin, Mistakes and Messing Stuff Up** Emma Ineson,2022-12-15 A superb book on failure humorous realistic and absolutely not judgemental JUSTIN WELBY In 2019 Emma Ineson wrote about ambition and what it means for Christians to be successful And then there was a global pandemic Suddenly failure began to feel very much more familiar than success But what is failure What did Jesus think of it What did he say about sin mistakes and generally mucking things up At the start of this wonderfully humorous and encouraging book which will end at the cross it is suggested that our tendency to lump all kinds of failure together could be a bit unhelpful A more nuanced understanding of what sort of failure we are dealing with might just allow us to make friends with it and respond more appropriately This idea leads us Towards an Imperfect Theology of Failure based on key Christian thinking and Emma poses the question of whether sin is an individual or corporate thing Looking at the church we consider what is God's purpose for it And in the light of key concerns such as safeguarding and racial justice how might we re-examine concepts of success and recognize and measure failure As the book draws to an end we are reminded of our calling to live life to the full to take risks despite our fears We are bound sometimes to fail Yet gazing at Jesus who looked like the greatest failure of all we may discern in the heartache vulnerability and humility of failure the glory of the cross

*Uncareful Lives* Jim Albright,2015-05-21 Come Jesus Christ Matthew 14:29 It's God's invitation into the uncareful life a life of courageous faith Come and see how awesome He is Come and see who you're supposed to be Christian our God is God You can do all He says because He will do all He says He is your license to live your faith as big as you dare He is your liberty to embrace a life big with God pleasing God encountering faith He is your freedom to wholeheartedly engage in fully persuaded never look back no risk is too great glad fearless joy obedience Come on you know you want to You know you've always wanted to ever since you heard Him whisper Follow Me What are you waiting for Whatever it is it's a lie Warning Reading this book can be hazardous to your health And your wealth And your plans And more Read it and you may find that you begin to live a more uncareful life for the glory of God Don Whitney
