Raymond A Noe :

Employee Training and Development Raymond A. Noe, 2007-01-01 Raymond Noe's Employee Training and Development sets the standard in this course area. Its popularity is due to the lively writing style and inspiring examples of the most up to date developments in training research and in practice including the strategic role of training and the use of new technologies in training. Employee Training and Development strikes a balance between research and real company practices. It provides students with a solid background in the fundamentals of training and development including needs assessment, transfer of training, designing a learning environment, methods and evaluation.

Raymond Noe, 2009 Raymond Noe's Employee Training and Development sets the standard in this course area. First introduced in 1998, ETD became the market defining text within 6 months of publication. Its popularity is due to its lively writing style and relevant examples of the most up to date developments in training research and practice including the strategic role of training and the use of new technologies in training. Employee Training and Development strikes a balance between research and real company practices. It provides students with a solid background in the fundamentals of training and development.

Training and Development Raymond Andrew Noe, Colin Winkler, 2012-03-30 Now in its second edition, this highly successful adaptation of Employee Training and Development reflects the importance of socially, environmentally, and economically responsible training and development for achieving organisational success. This is highlighted by the new title Training and Development Learning for Sustainable Management. Building on a solid theoretical foundation, this edition is more application based, although it preserves the essential conceptual material. The authors continue to engage students with a lively writing style and contemporary examples. The trends and challenges of shaping the future of training and development are illustrated through both real world organisational practices and theory in the many new cases throughout Training and Development Learning for Sustainable Management 2e. It is supported by digital resources including an online case bank, PowerPoint presentations, and a testbank.
