

Anansi

Designed and programmed specifically for the Atari game, the Anansi board is the world's first product that takes into account all variables for playing and the game is actually set up for 16 move combinations and allows over 100 different board positions to be played. However, the board enables you to understand the game and allow you to achieve appropriate combinations or together you play, and allow total victory and control using a single few moves, successfully, providing the experience of a fully skilled and experienced player of the game.

From the computer's game to the unique hardware game, the Anansi board will give you the best of both worlds by being both and more. Combining it with the most highly skilled players to use the board, the Anansi board is a truly remarkable board, combining the best of both worlds, giving you an unprecedented level of battle control while still retaining the world's most phenomenal experience for playing strategy games.
