

RCR6373/RCR6473

Universal Remote Control Owner's Manual

Manual del Propietario (parte posterior)

Includes Codes!

Six-Component Universal Remote

Congratulations on your purchase of this six-component universal remote. This universal remote controls up to six electronic components and makes logging remote controls a thing of the past. Your remote is guaranteed to work with all brand-name components. This remote is unusually versatile because it has over 4000 keys that you can program to control any video component. The six-component universal remote is easy to set, tune for programs, and gives you control on the touch of a button.

CODE BOOK

programming information is provided in the manual and code book in the remote. Please read the

page. The manufacturer's name is already programmed in your new RCR6373, RCR6473 and RCR6473A. Just press the corresponding key, the code, and the TV, for example, will work.

For more information

on how to use this universal remote, see the manual and code book.

Insert the batteries

1. Remove the battery compartment cover.
2. Insert the batteries, matching the (+) and (-) marks inside the battery compartment.
3. Push the battery cover back into place.

When you are replacing batteries, try not to press any key after you've taken the old batteries out. Pressing any while replacing batteries causes the remote to lose the information you've programmed. The code will be in program the next time you use it.

Battery Precautions

- Do not mix old and new batteries.
- Do not mix alkaline, standard (non-rechargeable) and rechargeable (nickel-cadmium) batteries.
- Always insert old, used or worn batteries properly and upside or down as shown in accordance with Local and National Regulations.

Battery Saver

Your universal remote control saves battery power by automatically turning off all keys if a preset time (over 60 seconds). This saves your battery life should your remote get stuck in a place where the keys remain depressed, such as between your cushions.

Care and Maintenance

- Keep the remote dry. If it gets wet, wipe it dry immediately.
- Use and store the remote only in normal temperatures.
- Handle the remote gently and carefully. Don't drop it.
- Store the remote away from dust and dirt.
- Wipe the remote with a damp cloth occasionally to keep it looking new.
- Modifying or tampering with the remote's internal components, without authorization and in violation of warranty.

The INPUT and... buttons have three functions. If TV is pressed through the video or audio source, it is pressed for your TV or audio component. If TV is pressed through the video or audio source, it is pressed for your TV or audio component. If TV is pressed through the video or audio source, it is pressed for your TV or audio component.

Stereo Review's Sound & Vision ,2000 *Machine Project* Machine Project (Organization),2009 By Machine Project
Edited by Mark Allen Jason Brown Liz Glynn *Popular Photography* ,1992-10 The Murdoch Mission Wendy Goldman
Rohm,2002-03-12 A dramatic narrative by a top journalist about the transformation of one of the world s greatest media
empires The Murdoch Mission gets inside Rupert Murdoch s News Corp and documents the media mogul s strategic forays in
digital media and broadcasting and new Internet based businesses Among other giant highlights is the creation of his new 40
billion company the mammoth Sky Global Networks Wendy Rohm provides an up close look at how Murdoch s youngest son
James Murdoch is changing his father s fortune in the megamarket of China and other world markets She shows the impact
these forays will have on international trade and the media world at large Based on her personal time with James in Hong
Kong and Beijing interviews with Rupert Murdoch himself as well as Murdoch s corporate officers senior executives
colleagues confidants and competitors Rohm provides a larger than life colorful account of how one of the most powerful
media lords on the planet leads his global corporation into the digital age The Murdoch Mission delves into Murdoch s
successes as well as his disasters while also providing a glimpse into the impact he and his company are having on the
cultural and media landscape of the world Wendy Goldman Rohm Chicago IL is the bestselling author of The Microsoft File a
