The Old World, the New World, and the Creation of the Modern World, 1400-1650 : an Interpretive History

Aaron M. Shatzman,2013-08-15 This book provides a unique look at the early years of European discovery and colonization analyzing the impact of this period on the historical development of both the New and Old Worlds **The Lutheran** George Washington Sandt,1926 **American foreign policy** Jean-Francois Drolet,James Dunkerley,2017-08-10 This book offers a nuanced and multifaceted collection of essays covering a wide range of concerns concepts presidential doctrines and rationalities of government thought to have marked America s engagement with the world during this period The collection is organised chronologically and looks at the work of intellectuals who have written both in support and critically about US foreign policy in various geographical and historical contexts This includes Andrew Carnegie Carl Schmitt Hans Morgenthau George Kennan Samuel Huntington Paul Wolfowitz and many other such thinkers and practitioners who have contributed in shaping the ways in which we have come to think of US foreign policy over the years The book will be of significant interest to students and academics within the fields of US foreign policy analysis international relations and intellectual history

The Teacher's Journal Arras Jones,1904 **Epic Ambitions in Modern Times** Robert Crossley,2022-08-16

Epic Ambitions in Modern Times explores how artists in varied genres and media have aimed for in Milton s phrase things unattempted yet in epic creation Starting with the last books of Paradise Lost as a farewell to the ancient tradition of epic and extending to an assessment of four twenty first century women writers retelling canonical epics in the voices of marginalized characters the book s intervening chapters consider epic in the forms of an epistolary novel a work of history a poetic autobiography an opera a silent film a series of paintings two literary fantasies three poems set in the future and a play

The International Library of Music for Home and Studio ,1925 The Anthem Companion to Robert N. Bellah

Matteo Bortolini,2019-06-28 The Anthem Companion to Robert N Bellah is the first major collection of essays on the life and work of Robert N Bellah 1927 2013 one of the foremost sociologists of religion of the twentieth century Bellah s work was central to many fields the sociology of Japanese religion the relationship between sociology and the humanities the relationship between American religion and politics the cultures of modern individualism evolution and society Bellah s seminal work on civil religion in the early 1970s created a huge debate across the disciplines that continues into the present times his coauthored book Habits of the Heart 1985 was a best seller and the object of sustained discussion in the general public sphere his last magnum opus Religion in Human Evolution published at 84 was a monument to an extraordinary scholarly and intellectual career The object of this collection of essays by top American and European scholars from the social sciences and humanities is to highlight the richness of Bellah s work Each essay has a double character it introduces a single topic in an accessible and complete way and then presents a reflection on the viability and import of Bellah s ideas for interpreting contemporary phenomena **The Sunday School Journal** ,1887 *Daughters of the American Revolution*

Magazine Daughters of the American Revolution, 1994 *A Concise History of Korea* Michael J. Seth, 2019-11-19 Now in a fully revised and updated edition including new primary sources and illustrations this comprehensive book surveys Korean history from Neolithic times to the present Michael J Seth explores the origins and development of Korean society politics and still little known cultural heritage from their inception to the two Korean states of today Telling the remarkable story of the origins and evolution of a society that borrowed and adopted from abroad Seth describes how various tribal peoples in the peninsula came together to form one of the world's most distinctive communities He shows how this ancient culturally and ethnically homogeneous society was wrenched into the world of late nineteenth century imperialism fell victim to Japanese expansionism and then became arbitrarily divided into two opposed halves North and South after World War II Tracing the post war years since 1945 the book explains how the two Koreas with their deeply different political and social systems and geopolitical orientations evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture North Korea by contrast became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Seth describes and analyzes the radically different and historically unprecedented trajectories of the two Koreas formerly one tight knit society Throughout he adds a rare dimension by placing Korean history into broader global perspective All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book *Decolonizing the Diet* Gideon Mailer, Nicola Hale, 2018-03-22 *Decolonizing the Diet* challenges the common claim that Native American communities were decimated after 1492 because they lived in Virgin Soils that were biologically distinct from those in the Old World Comparing the European transition from Paleolithic hunting and gathering with Native American subsistence strategies before and after 1492 the book offers a new way of understanding the link between biology ecology and history Synthesizing the latest work in the science of nutrition immunity and evolutionary genetics with cutting edge scholarship on the history of indigenous North America *Decolonizing the Diet* highlights a fundamental model of human demographic destruction human populations have been able to recover from mass epidemics within a century whatever their genetic heritage They fail to recover from epidemics when their ability to hunt gather and farm nutritionally dense plants and animals is diminished by war colonization and cultural destruction The history of Native America before and after 1492 clearly shows that biological immunity is contingent on historical context not least in relation to the protection or destruction of long evolved nutritional building blocks that underlie human immunity *The Expanding Roles of Chinese Americans in U.S.-China Relations* Peter Koehn, Xiao-Huang Yin, Xiao-huang Yin, 2015-02-12 This book addresses the historical and contemporary involvement of Chinese Americans from diverse walks of life in U S China relations The contributors present new evidence and fresh perspectives on familiar and unfamiliar national and transnational networks including families

businesspersons community newspapers students lobbyists philanthropists and scientists and consider the likely future impact of such contacts on the most important bilateral relationship at the start of the new millennium The volume makes a multidisciplinary contribution to understanding the extensive and vital roles and promise of Chinese Americans at this critical juncture in U S China relations and to revealing the importance of migrants as actors in contemporary global politics The assessments shared by the contributors suggest that the nature and scope of the Chinese American involvement particularly in global civil society networks increasingly will determine the outcome of state to state relations between the United States and the PRC

American Folklore Peter Poulakis,1969 Tall tales uniquely American about New Englanders Negroes Indians and frontiersmen and tales and ballads about such heroes as Mike Fink Jim Bowie John Henry Casey Jones and others

The Rights Track Todd Landman,Christine Garrington,2022-07-12 The Rights Track Sound Evidence on Human Rights and Modern Slavery uses rich content from The Rights Track podcast [www rightstrack org](http://www.rightstrack.org) in an innovative book that enhances and enriches our understanding of the human rights challenges facing the world today This book showcases the important role of evidence in tackling those challenges and explores the medium of podcasting as a tool for discussing how research evidence is used to protect and promote human rights From counting torture victims to the joy of human rights from modern slavery to gay rights refugees to the radical right the authors draw new insights and intelligence from conversations between podcast host Landman and an array of experts and advocates who are leaders in their field Through close analysis of the voices and commentary of podcast guests from six series of the podcast the authors illustrate the enduring importance of human rights and the need to keep talking about them

Expanding Authorship Peter Middleton,2021-06 Expanding Authorship collects important essays by Peter Middleton that show the many ways in which in a world of proliferating communications media poetry making is increasingly the work of agencies extending beyond that of a single identifiable author In four sections Sound Communities Collaboration and Complexity Middleton demonstrates that this changing situation of poetry requires new understandings of the variations of authorship He explores the internal divisions of lyric subjectivity the vicissitudes of coauthorship and poetry networks the creative role of editors and anthologists and the ways in which the long poem can reveal the outer limits of authorship Readers and scholars of Wallace Stevens William Carlos Williams George Oppen Frank O Hara Robert Duncan Robert Creeley Jerome Rothenberg Susan Howe Lyn Hejinian Nathaniel Mackey and Rae Armantrout will find much to learn and enjoy in this groundbreaking volume

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1907 **The Ahupa ...** ,1929 *Essays and Interviews on Contemporary American Poets, Poetry, and Pedagogy* Daniel Morris,2024-09-10 In sixteen chapters devoted to avant garde contemporary American poets including Kenneth Goldsmith Adeena Karasick Tyrone Williams Hannah Weiner and Barrett Watten prolific scholar and Purdue University professor Daniel Morris engages in a form of cultural repurposing by learning twice about how to attend to writers whose aesthetic

contributions were not part of his education as a student in Boston and Chicago in the 1980s and 1990s when new formalism and post confessional modes reigned supreme Morris s study demonstrates his interest in moving beyond formalism to offer what Stephen Fredman calls a wider cultural interpretation of literature that emphasizes the new historicist concerns with hybridity ethnicity power relations material culture politics and religion Essays address from multiple perspectives prophetic diasporic ethical the vexing problems and sublime potential of disseminating lyrics the ancient form of transmission and preservation of the singular private human voice across time and space to an individual reader in an environment in which e poetry and digitalized poetics pose a crisis understood as both opportunity and threat to traditional page poetry

Periodicals in Latin America Maria Chiara D'Argenio,Claire Lindsay,2025-02-04 Assembling research on a diverse range of serialized publications from the late nineteenth century to the present day this volume explores how Latin American print culture has influenced local movements and informed global exchange **Our World's Story** ,1997
