Sophie's Gifts Shirley Coulter Ericson, 2024-05-01. Ten-year-old Sophie Glidden lives in a rural Maine community in 1933. She and her best friend Evelyn Murphy enjoy hanging out in Evelyn's tree house and exploring. There is also a difference between the girls: Sophie is a Protestant and her roots in town go back many generations; Evelyn is an Irish Catholic immigrant. Their difference in religion is something neither of them considers until Evelyn gives a rosary to Sophie to comfort her following the death of Sophie's grandmother. When Sophie's parents discover that she has prayer beads, trouble quickly settles in the Glidden home. While searching for answers about why many adults in Kittington are biased against Catholics, Sophie uncovers secrets about First Christian Church, where she and her family attend services. Sophie is bold and tenacious. She holds her ground and speaks up to adults in her struggle to gain justice for her Catholic friend, but at what cost?

**The Vanished Kingdom: Sophie Quire and the Last Storyguard (Revised Edition)** Jonathan Auxier, 2025-04-01. From Jonathan Auxier, the New York Times bestselling and award-winning author of *The Night Gardener* and *Sweep*, comes the next adventure in the *The Vanished Kingdom* series for readers 8 to 12 about a clever bookmender whose life is turned upside down when she's sent on a mission to save stories and storybooks across the Wide World. Now with a newly designed cover, it's been two years since Peter Nimble and Sir Tode rescued the kingdom of HazelPort. In that time, they have traveled far and wide in search of adventure. Now they have been summoned by Professor Cake for a new mission to find a 12-year-old bookmender named Sophie Quire. Sophie knows little beyond the four walls of her father's bookshop, where she repairs old books and dreams of escaping the confines of her dull life. But when a strange boy and his talking cat-horse companion show up with a rare and mysterious book, she finds herself pulled into an adventure beyond anything she has ever read. Also available: *Peter Nimble and His Fantastic Eyes*, *The War of the Maps*. The Great Movies IV Roger Ebert, 2020-03-04. Essays from the influential and beloved film critic. No one has done as much as Ebert to connect the creators of movies with their consumers. Richard Corliss: Time. Over more than four decades, Roger Ebert built a reputation writing reviews for the *Chicago Sun Times* and later arguing onscreen with rival *Chicago Tribune* critic Gene Siskel and later Richard Roeper about the movies they loved and loathed. But Ebert's wisdom went well beyond a mere thumbs up or thumbs down. *The Great Movies IV* is the fourth and final collection of Roger Ebert's essays, comprising sixty-two reviews of films ranging from the silent era to the recent past. From films like *The Cabinet of Caligari* and *Viridiana* that

have been considered canonical for decades to movies only recently recognized as masterpieces to Superman The Big Lebowski and Pink Floyd The Wall the pieces gathered here demonstrate the critical acumen seen in Ebert's daily reviews and the more reflective and wide ranging considerations that the longer format allowed him to offer Also included are an insightful foreword by film critic Matt Zoller Seitz editor in chief of the official Roger Ebert website and a touching introduction by Chaz Ebert A fitting capstone to a truly remarkable career The Great Movies IV will introduce newcomers to some of the most exceptional movies ever made while revealing new insights to connoisseurs

Romantic Hospitality and the Resistance to Accommodation Peter Melville, 2007-03-30 What does hospitality have to do with Romanticism What are the conditions of a Romantic welcome Romantic Hospitality and the Resistance to Accommodation traces the curious passage of strangers through representative texts of English Romanticism while also considering some European philosophical pre texts of this tradition From Rousseau's invocation of the cot less Carib to Coleridge's reception of his Porlockian caller Romanticism's encounters with the strange remind us that the hospitable relation between subject and Other is invariably fraught with problems Drawing on recent theories of accommodation and estrangement Peter Melville argues that the texts of Romantic hospitality including those of Rousseau Kant Coleridge and Mary Shelley are often troubled by the subject's failure to welcome the Other without also exposing the stranger to some form of hostility or violence Far from convincing Romantic writers to abandon the figure of hospitality this failure invites them instead to articulate and theorize a paradoxical imperative governing the subject's encounters with strangers if the obligation to welcome the Other is ultimately impossible to fulfill then it is also impossible to ignore This paradox is precisely what makes Romantic hospitality an act of responsibility Romantic Hospitality and the Resistance to Accommodation brings together the wide ranging interests of hospitality theory diet studies and literary ethics within a

single investigation of visitation and accommodation in the Romantic period As re visionary as it is interdisciplinary the book demonstrates not only the extent to which we continue to be influenced by Romantic views of the stranger but also more importantly what Romanticism has to teach us about our own hospitable obligations within this heritage The School for Good and Evil 3-Book Collection: The Camelot Years Soman Chainani,2020-06-02 THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix starring Academy Award winner Charlize Theron Kerry Washington Laurence Fishburne Michelle Yeoh Sofia Wylie Sophie Anne Caruso Jamie Flatters Earl Cave Kit Young and more Return to Soman Chainani s bestselling School for Good and Evil series in this three book digital collection that chronicles a new era in the Endless Woods The Camelot Years Join Sophie Agatha Tedros and the other students as they move beyond the bounds of school and into the biggest boldest adventures of their lives The students at the School for Good and Evil thought they had found their final Ever After when they vanquished the malevolent School Master Now on their required fourth year quests the students face obstacles both dangerous and unpredictable and the stakes are high success brings eternal adoration and failure means obscurity forever This digital collection contains the last three books in the series The School for Good and Evil 4 Quests for Glory The School for Good and Evil 5 A Crystal of Time The School for Good and Evil 6 One True King Soman Chainani has created a spectacular world that Rick Riordan author of the bestselling Percy Jackson and the Olympians series says reimagines the world of fairy tales and will make you question who is good and who is evil and Newbery Honor winning author Ann M Martin calls a fairy tale like no other complete with romance magic humor and a riddle that will keep you turning pages until the end **The Faradays Boxed Set** Trish Morey,2021-06-30 Life love and laughter amongst the orchards Two multi generational feel good stories set in the dramatically beautiful Adelaide Hills and featuring cherries apples and pears koalas and kangaroos Add love and romance and what more could you ask Cherry Season is Dan Faraday s story Serious by nature and seriously single Dan s not impressed when his sisters subscribe him to a dating service it s not like he needs help or anything he just needs to find a seriously sensible woman Enter Lucy Marino US backpacker and Dan s latest cherry picker and who is everything Dan s not looking for in a wife Unfortunately for Dan that doesn t stop the sparks from flying between them and when spark turns to sizzle watch out Dan The Trouble with Choices Dan s three sisters school teacher Sophie and twins Hannah and Beth are all about to discover that life doesn t always go to plan and that choices come with consequences It could all turn to custard if they didn t have their sisters to turn to From the Readers What a great read full of likeable characters and laugh out loud moments I could not pick which character was my fave they were all entertaining in their own way even serious Hannah Talking Books A lot of the subjects addressed are pretty serious but Morey s characters all have a great sense of humour so the story has it s share of light hearted moments and amusement I really enjoyed this story of family of moving forward of letting go and of realising that you are worth it and you deserve happiness A beautiful story complete with weddings babies and an unexpected litter of kittens I would definitely recommend
