Light on Fire Aedamar Kirrane,2021-01-26 A book of modern mysticism about rediscovering the true meaning of faith and how to reclaim our spiritual wisdom Light on Fire is the soulful exploration of one woman s journey to awakening and becoming a modern day Christian mystic It s a compassionate guide that will support others on the path to awakening by offering new insights and practical guidance on how to reconnect with our innate spirituality In her search to understand her own spontaneous awakening Aedamar discovered that awakening is a natural life process from which we have become estranged In beautifully poetic language and through accessible philosophy Aedamar shares how and why we are designed to wake up and to experience Divine Union in the ordinary course of life Waking up is what is now needed to heal ourselves and the deeply rooted traumas of Western society Light on Fire concludes with The Path of Gold Aedamar s seven stage guide to awakening that offers a model for rediscovering Divine Love in everyday life It helps us to reconnect with our spiritual wisdom which is critical as we enter a new era that uniquely calls us to mysticism and to love Blinded by the Sun Seamus Guyver,2013-10-30 A passage between the stars the moon and the thoughts caught within all of us The different emotions we hide sometimes when left staring at the sun feeling the moon within your mind For all the people and chances that have gone before Of all the times we felt so much alive and the regrets we hold like the dark side of the moon Knowing the journey will lead us within the sun changing our views Feeling a step within life is just a change within our minds Now feel the journey within one mind take the time to ponder all the thoughts and feelings felt within one sun and the mood of this life and how it can lift you higher and take you down when you lose the focus of the road that lies ahead and people who move like ghosts within your trail Knowing one day you will unite the Sun and the Moon and find a distant peace within your heart This may take time and Journey will have many falls But the road is just a reflection within the memories of our minds An
