Sovereign's Pairing E. L. Glenn, 2017-09-23 New author E L Glenn takes you on an intriguing journey through a reality that contains multiple parallel universes Though there are uncountable universes there is only one Nexus Universe The progenitor universe from which all the others have originated from Those within the Nexus Universe have the ability to enter any of the others The Nexus Universe has a problem though a man named Hessler who embodies the Antithesis spirit has made it his quest to conquer not only the Nexus Universe but the other parallel universes as well To achieve this Hessler has been using an army comprised of men and orcs numbering a million He must also attain the Crystal Sword an incredible source of power The Crystal Sword had been hidden in the caverns of one of the kingdoms of the dwarves Protecting it are wizards men elves and the dwarves themselves They cannot use the Sword only one embodied with either the Antithesis spirit or the Sovereign Spirit can and the one embodied with the Sovereign spirit is in another universe They must find him in the hope of stopping Hessler Mariah a searcher in the caverns has found the prophecy that will lead them to the universe that the Sovereign is in Taking it to the seekers Mariah is informed that she must be the one to enter the Sovereigns universe and bring him to them There isn't much time and they have no idea what the Sovereign will be like but he is their only hope Hessler and his orc army are almost upon them A new genealogical scale of the sovereigns of England Stephen

The Writ of the Three Sovereigns Dominic Steavu, 2019-09-30 In 648 CE Tang imperial authorities collected every copy of the Writ of the Three Sovereigns Sanhuang wen from the four corners of the empire and burned them The formidable talismans at its core were said not only to extend their owners lifespan and protect against misfortune but also propel them to stratospheric heights of power elevating them to the rank of high minister or even emperor Only two or three centuries earlier this controversial text was unknown in most of China with the exception of Jiangnan in the south where it was regarded as essential local lore In the span of a few generations the Writ of the Three Sovereigns would become the cornerstone of one of the three basic corpora of the Daoist Canon a pillar of Daoism and a perceived threat to the state This study the only book length treatment of the Writ of the Three Sovereigns in any language traces the text's transition from local tradition to empire wide institutional religion The volume begins by painting the social and historical backdrop against which the scripture emerged in early fourth century Jiangnan before turning to its textual history It reflects on the work's centerpiece artifacts the potent talismans in celestial script as well as other elements of its heritage namely alchemical elixirs and true form diagrams During the fifth and sixth centuries with Daoism coalescing into a formal organized religion the Writ

of the Three Sovereigns took on a symbolic role as a liturgical token of initiation while retaining its straightforward language of sovereignty and strong political overtones which eventually led to its prohibition The writ endured however and later experienced a revival as its influence spread as far as Japan Despite its central role in the development of institutional Daoism the Writ of the Three Sovereigns has remained an understudied topic in Chinese history Its fragmentary textual record combined with the esoteric nature of its content have shrouded it in speculation This volume provides a lucid reconstruction of the text s hidden history and enigmatic practices while shedding light on its contributions to the religious landscape of medieval China The Farmer's Magazine ,1860 **British Farmer's Magazine** ,1833 **The Coronation Book; Or, The Hallowing of the Sovereigns of England** Jocelyn Perkins,1902 **Transactions of the Highland and Agricultural Society of Scotland** Royal Highland and Agricultural Society of Scotland,1851 **Restrictive and Anticompetitive Practices in the Eyeglass Industry** United States.
