H. Tenney and E. A. Hoffman* J. H. Tenney,1876 **The Miracle of Seed-Faith** Oral Roberts,2017-03-16 Oral Roberts was barely making ends meet when he discovered the three key principles of Seed Faith in God s Word They have never failed me he shares When I had no earthly source or person to turn to when I was alone with nothing but big problems and challenges facing me these principles showed me God is my Source They showed me how to use my giving as a seed I was planting and to expect God to multiply it even if it took a miracle The Miracle of Seed Faith has revolutionized the lives of millions of people As you read it let God show you how you can get your needs met through His eternal plan of seedtime and harvest sowing and reaping giving and receiving Man s economic systems may fail but God s plan never does By getting into the rhythm of Seed Faith living you ll learn that His more than enough resources are always available to you Seed Faith Can a Man Bribe God, How false teachers manipulate and hypnotize you for offerings Susan Puzio,2016-06-03 Susan Puzio was involved in the false Word of Faith teachings for over 15 years She was shocked and dismayed by the blatant manipulation being used by these wolves to enrich themselves without any real love for God s people Selfishness and greed became rampant and still prevails today through much of the so called Christian television where the beg a thons never seem to end Masterful workers of iniquity hypnotize the masses with false promises of riches by bribing God through sending them offerings which God never gets or needs Susan Puzio documents the downfall of the Oral Roberts family who seed faith didn t work for with chapters about Mike Murdock Benny Hinn the Copelands Rod Parsley Morris Cerullo TBN Marcus and Joni Lamb Paula White and many others The Bible says to mark them who cause divisions Romans 16 17 WE mark them expose the heresy and the truth will always win *NOT LOST - What Happened To The Seed You Sowed?* NOT LOST - What Happened To The Seed You Sowed?, Seed sowing is an amazing thing to do Some seeds have been sown and fruits have been seen On the other hand some other seeds were sown but the expected fruit was not seen No seed that God gave instructions to be sown can ever be lost yet you did not see your expected fruit So what happened to the seed you sowed This book will tell you WHY and what you should do to see the expected fruits of every seed you sow This is the book you have been looking for Grab it read it and settle down in aspiration as you continue sowing cheerfully and fervently reaping the harvest at the end Unstoppable Increase: Keys to Unlocking The Abundant Life God Has for You Richard Roberts,2017-12-15 What is our part when it comes to walking in unstoppable increase in our lives and what does the God kind of increase look like God is an if then God When we want to see

God move in our lives we have to do something first Then and only then will He do His part He promises us in His Word salvation healing provision restoration wisdom and increase but only if we believe receive confess obey and give to Him in faith believing for our harvests Only He can do what He can do But only you and I can do what we can do Perhaps you've been through some sort of wilderness experience and you've wondered Where is God in all this There is a real devil in the world and according to God's Word in John 10:10 he is working overtime to steal kill and destroy But that scripture also says Jesus is present in your life too and He has come so you could have life abundant life life that is overflowing with provision and filled with increase in every area spirit soul and body

David Clary,2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In Soul Winners journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party s most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation s landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary s narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought evangelicalism into the highest precincts of business and politics Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life
