Dear Parents/Guardians,

Tonawanda Middle School values the role that multiple assessment measures play in informing quality instruction. The New York State Assessments are one way the district is able to determine student understanding of grade level expectations and standards, and serves as a tool to help us evaluate the rigor and validity of our programs and curriculum. Our last NYS assessment for this school year is the 8th grade Science assessment. This assessment consists of performance based, hands-on experiments and written responses as well.

Assessment Dates:

(The assessments will be administered in the morning starting at approximately 8:00 am each day.)

Test	Testing Dates
Grade 8th NYS Science Assessment	Wednesday, May 24th & Monday, June 5th

As an instructional community of teachers, administrators, and support personnel, we regularly use this data in professional dialogue when determining the effectiveness of individual lessons, units of study or an entire program. The participation of each student is valued and contributes to a full set of information to be used in improving and aligning our programs and instructional practices to support student growth.

The teachers need your assistance to provide the best test-taking conditions for your child.

- If possible, please *do not schedule* any vacations, doctor, dentist or other appointments on testing days.
- Please have your child to school on time. Students who arrive late or are absent, will take the make-up test at a later date.
- Be sure your child gets a **good night's rest** the evening prior to the assessment.

Please contact the middle school main office with any questions at (716)694-7660.

Thank you,

Middle School Administration Team
