story arc that underpins the concept of prison rehabilitation and that sometimes serves the interests of the prison system rather than those on the inside Yet many imprisoned people rework the conversion narrative the way they repurpose other objects in prison Like a radio motor retooled into a tattoo gun the conversion narrative has been redefined by some authors for subversive purposes including questioning the ostensible emancipatory role of prison writing critiquing white supremacy and broadly reimagining autobiographical discourse An interdisciplinary work that brings life writing scholarship into conversation with prison studies and law and literature studies *Prison Life Writing* theorizes how life writing works in prison explains literature s complicated entanglements with institutional power and demonstrates the political and aesthetic innovations of one of America s most fascinating literary genres
