Rehearsing the Wonders of God Kay N. Jansen, 2023-11-29 About the Book *Rehearsing the Wonders of God* In MY Life is a story about a poor abused girl an unbeliever whose life changed dramatically into a life lived intentionally conscious of God's involvement in it coupled with a deep desire to know Him more intimately You will marvel at how ordinary Kay's life was and how extraordinary it became You'll discover the marvelous wonders God performed to accomplish His purposes by bringing strangers together often by supernatural means God never stops working in our lives In the Bible that ancient book events are detailed in the historical ways He revealed Himself to His creation and to help persons find their purpose in their generation but here you will hear testimonials from a living author The miracles are current and authentic The story is not just a chatty account of Kay's adventures but is a living witness of present words and deeds of Jesus Christ living in and through her to touch others lives and to bring tremendous blessings to her own life What Kay experienced you can too for God is no respecter of persons About the Author Kay N Jansen's most treasured hobby is her almost insatiable desire to learn She is an avid reader she enjoys all sorts of genres some for leisure some for knowledge and wisdom and also for self help Though reared in a poor household Kay was blessed to live only two blocks from a public library Book rental was free as long as the book was returned on time She has a nice soprano singing voice and belonged to two choral groups with whom she went twice a week to inspire and entertain the folks in nursing rehabilitation homes In her future Kay looks forward to spending quality time with her six adult children her thirteen grandkids and her eight great grandkids fourteen more counting in laws and bonus step grandchildren Kay is the only living member of her childhood family but will be blessed to spend eternity catching up with them She's earned two Master's degrees Master of Theology in Biblical Studies and Master of Ministry in Christian Counseling neither from which she benefitted professionally but both of which she benefits from daily as she interacts with people God sends her way Deborah T. Kukoyi, 2008-02-01 This is a clarion call to all nations and to every one that has an ear to hear what God is saying in this season There has been great blood shed in our nations innocent people have lost their lives due to what the nation has gravitated toward lawlessness The same sin that led to the destruction of Sodom and Gomorrah is the same sin our nation is lusting after We have adopted sin as a law and lost many souls in the midst of all this My question is if we are a replica of Sodom and Gomorrah Why should we be spared Why should God spare our lives Just before Sodom and Gomorrah was consumed God and Abraham had a conversation and God said if He could find ten righteous in the land He would save the nation but ten righteous could not be found and this led to the destruction of Sodom and Gomorrah Do not think that God is unjust for sparing us No The reason why we are not yet consumed as a nation is because God has found a few righteous the remnant that will not bow their knees to sin or its lawless ways God would

never consume the righteous with the wicked The cry of the guiltless and the innocent the cry of the abused children the fatherless the widows and all those who have been directly affected by the detrimental world we are in has been heard by God The blood of the innocent has come up to God and He has risen to redeem a dying world There are people who have lost their lives in the midst of the evil we have brought upon ourselves as a nation and there are still so many souls wounded from our lawless state The world is immorally corrupt and this has come up to God as a very displeasing and nauseating attitude God is displeased God is bleeding It is because of this dilapidated act caused by the lawless in our nations that has brought so much destruction upon the land that we live in Are we going to sit lackadaisically and watch many more souls lose their lives Let us arise and re build our nation And if it means we have to incorporate the Ten Commandments into our constitution to bring back serenity and tranquility let us do it Our lost glory must be restored He who has an ear let him hear what the Lord is saying in this season

Why cant U teach me 2 read? Beth Fertig, 2009-09-15 Why cant U teach me 2 read is a vivid stirring passionately told story of three students who fought for the right to learn to read and won only to discover that their efforts to learn to read had hardly begun A person who cannot read cannot confidently ride a city bus shop take medicine or hold a job much less receive e mail follow headlines send text messages or write a letter to a relative And yet the best minds of American education cannot agree on the right way for reading to be taught In fact they can hardly settle on a common vocabulary to use in talking about reading As a result for a quarter of a century American schools have been riven by what educators call the reading wars and

our young people have been caught in the crossfire Why cant U teach me 2 read focuses on three such students Yamilka Alejandro and Antonio all have learning disabilities and all legally challenged the New York City schools for failing to teach them to read by the time they got to high school When the school system s own hearing officers ruled in the students favor the city was compelled to pay for the three students now young adults to receive intensive private tutoring Fertig tells the inspiring heartbreaking stories of these three young people as they struggle to learn to read before it is too late At the same time she tells a story of great change in schools nationwide where the crush of standardized tests and the presence of technocrats like New York s mayor Michael Bloomberg and his schools chancellor Joel Klein have energized teachers and parents to question the meaning of education as never before And she dramatizes the process of learning to read showing how the act of reading is nothing short of miraculous Along the way Fertig makes clear that the simple question facing students and teachers alike How should young people learn to read opens onto the broader questions of what schools are really for and why so many of America s schools are faltering Why cant U teach me 2 read is a poignant vital book for the reader in all of us

Protestants, Gender and the Arab Renaissance in Late Ottoman Syria Deanna Ferree Womack,2019-03-14 The Ottoman Syrians residents of modern Syria and Lebanon formed the first Arabic speaking Evangelical Church in the region This book offers a fresh narrative of the encounters of this minority Protestant community with American missionaries Eastern churches and Muslims at the height of the Nahda from 1860 to 1915 Drawing on rare Arabic publications it challenges historiography that focuses on Western male actors Instead it shows that Syrian Protestant women and men were agents of their own history who sought the salvation of Syria while adapting and challenging missionary teachings These pioneers established a critical link between evangelical religiosity and the socio cultural currents of the Nahda making possible the literary and educational achievements of the American Syrian Mission and transforming Syrian society in ways that still endure today
