**My Guide to American English** Jeannie Yang,2012-02 Let s face it There s no time like the present to learn English It s

the world's most widely spoken language. It permeates nearly every aspect of our daily lives. Mastering pronunciation, figures of speech, and idioms are just a few of the challenges students may face. Even so, learning to actually use American English comfortably isn't among the easiest of tasks. Author Jeannie Yang hopes to help with that. Numbered lessons and regimented exercises only serve to make an already daunting task seem impossible. They don't help, so they aren't welcome in this book. Professor Jeannie Yang has taken a new approach to learning conversational English, inviting you to the conversation. Written in the form of a movie screenplay, these fictional scenarios innovatively invite you to actively engage in conversations on a variety of subjects and in a variety of settings. As you speak their words, you can imagine that you are one of the characters, and you'll be learning at the same time. You'll meet Mi Hee, a sweet and spunky young woman from Korea who dreams of studying at an American university. Kenny, an intellectual from Hong Kong who's lived and studied in the United States for years. Roy, Kenny's best friend, whose liberal use of slang is in stark contrast to Kenny's esoteric vocabulary. Whether you are going on a cruise or heading for a job interview, this book serves as a practical and entertaining guide to getting more comfortable with conversational American English.

**Mama Bear Apologetics Guide to Sexuality** Hillary Morgan Ferrer, 2021-10-05. Raise Them to Value God's Design. Starting at a young age, kids are being fed damaging misinformation about sexuality, gender identity, and human biology. In the footsteps of the bestselling *Mama Bear Apologetics*, comes this invaluable guide to training your kids to know and respect God's design in a world that has rejected it. This book will equip you to understand God's design for gender, sex, marriage, and family as a beautiful portrait that reveals the nature of God Himself. Identify the tactics being used to trick children into adopting an unbiblical view of sexuality under the guise of Christian-sounding words like love, identity, tolerance, and justice. Teach your kids to treat those who hold different beliefs with gentle, Christlike compassion without compromising biblical values. As society continues to blur the lines of what is good, true, and acceptable, God's standards remain clear and unchanging. This book will give you the wisdom to confidently raise your children to understand sex and gender through a biblical lens.
