with adult content and a BDSM flavor by a female masochist geared toward proper nutrition for the Dominant American male. The author uses as a case study a particular Dominant man with whom she has a committed D/s relationship. He is rare for his age and degree of masculinity in the BDSM community and is therefore much in demand by submissive and masochistic women and transsexuals. She describes what she feeds him and why, including detailed recipes attributing his continued virility and overall health to the nutrition therein. Contains some adult language.

**A Culinary History of the Nebraska Sand Hills** Christianna Reinhardt, 2014-08-05. Spanning nineteen thousand square miles of central Nebraska, the Sand Hills North America's largest sand dune is held in place by only a thin, sturdy layer of native prairie grasses and continuing faith that the land can be made prosperous by its residents. Settlers in the area had to be hardy and resourceful, making use of what the land provided and holding fast when their hard work blew away with the prairie winds. From foraging to ranching, food meant survival, but it also meant community. Staples like fried chicken, biscuits, fruit pies, preserves, and cakes all play a role in the fascinating story of the region. Join food writer Christianna Reinhardt as she dishes up the unique and tasty history of this exceptional part of the world.
