A dark, semi-transparent rectangular box is overlaid on the upper half of the image, containing the title and author's name in white text. Chaney,2013-01-01 More than 80 million Americans claim no church affiliation Only six other nations have a total population of more than 80 million Another 90 million who claim membership or affiliation don t attend church It is obvious that this many people will not be reached by existing congregations The answer More churches are needed Here is a book written by one of the nation s authoritative voices on church planting with both biblical and practical help for those who share his vision that the task of church planting rests not with denominational leaders but with the people and pastors of local churches **Distinctively Baptist Essays on Baptist History** Walter B. Shurden,2005 This collection of essays by different authors is presented as a tribute to Walter B Buddy Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley s preface D uring some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden s works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework **Design for Church Growth** Charles L. Australian Baptist adherents but rarely have their achievements been documented. Instead, Australian Baptist history has focused on structures and male ministers. This book seeks to redress this deficiency and highlights the work of Baptist women in congregations, state and national Baptist women's organizations, overseas mission, an area in which their contribution was essential, and national non-denominational organizations, particularly the Woman's Christian Temperance Union. Australian Baptist women seized the opportunities available to them with drive and passion, and the recognition of their ministries is long overdue.
