Whitt, 2014-02-17 During the second half of the twentieth century the American military chaplaincy underwent a profound transformation Broad based and ecumenical in the World War II era the chaplaincy emerged from the Vietnam War as generally conservative and evangelical Before and after the Vietnam War the chaplaincy tended to mirror broader social political military and religious trends During the Vietnam War however chaplains experiences and interpretations of war placed them on the margins of both military and religious cultures Because chaplains lived and worked amid many communities religious and secular military and civilian denominational and ecumenical they often found themselves mediating heated struggles over the conflict on the home front as well as on the front lines In this benchmark study Jacqueline Whitt foregrounds the voices of chaplains themselves to explore how those serving in Vietnam acted as vital links between diverse communities working personally and publicly to reconcile apparent tensions between their various constituencies Whitt also offers a unique perspective on the realities of religious practice in the war s foxholes and firebases as chaplains ministered with a focus on soldiers shared experiences rather than traditional theologies **The Social Context Of Soviet Science** Linda L Lubrano, Susan Gross Solomon, 2019-06-13 From its very beginnings Western scholarly writing on Soviet science has been largely contextual in orientation with particular attention given to the institutional and political setting of science in Russian and Soviet history This book moves that tradition in a new direction by focusing more closely on the social conditions of the research process **Rethinking School Choice** Jeffrey R. Henig, 1995-07-24 Advocates of school vouchers and other choice proposals couch their arguments in the fashionable language of economic theory Choice initiatives at all levels of government have succeeded it is claimed because they shift responsibility for education reform from government to market forces This timely book disputes the appropriateness of the market metaphor as a guide to education policy **Books for All** Providence Public Library (R.I.), 1928 **Tanzania** Henry S. Bienen, 2015-03-08 In this 1970 expanded edition which includes a new Preface and Introduction and a long new chapter Professor Bienen discusses the events and significance of the Arusha Declaration in the light of his continued research since 1967 while a Visiting Lecturer at University College Nairobi Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Marine Corps Gazette** , 1963 **Air University Review** , 1986-07 The Flight of the Intellectuals Paul Berman, 2010 In an elegantly written consideration of American attitudes towards

Islamic thinkers Paul Berman one of America's leading intellectuals and champion for progressive thought conducts a searing examination of the West's fumbling efforts to establish a healthy discourse with what is coined moderate Islam Berman engages with many of today's most important issues contemporary anti-Semitism anti feminism and the presence of home grown fundamentalists to present a stunning commentary on the media's inability to detect dangerous ideas in contemporary society *Military Intelligence*, 1987-03

Literary Theory and Criticism: An Introduction - Second Edition Anne H. Stevens, 2021-07-08 Literary Theory and Criticism An Introduction provides an accessible overview of major figures and movements in literary theory and criticism from antiquity to the twenty first century It is designed for students at the undergraduate level or for others needing a broad synthesis of the long history of literary theory An introductory chapter provides an overview of some of the major issues within literary theory and criticism further chapters survey theory and criticism in antiquity the Middle Ages and Renaissance the Enlightenment and the nineteenth century For twentieth and twenty first century theory the discussion is subdivided into separate chapters on formalist historicist political and psychoanalytic approaches The final chapter applies a variety of theoretical concepts and approaches to two famous works of literature William Shakespeare's Hamlet and Mary Shelley's Frankenstein The new edition has been updated throughout including new or expanded coverage of Marxist theory disability studies affect theory and Critical Race Theory The Structure of the Defense Industry Nicole Ball, Milton Leitenberg, 2021-05-30 Proponents of arms control and disarmament are often confronted with the argument that reductions in defense expenditure lead to cutbacks in military industries and thus to economic hardship While a reduction in defense production would cause some economic dislocation this would be mitigated by the ability of the economy to adapt to changing patterns of production This book first published in 1983 assesses the likely effects of reductions in defense industries by an examination of the roles these industries play in national economies Each chapter discusses industry employment output research and development capital value profitability concentration and competition internal organization and regional employment concentration Other questions considered include the economic importance of weapons exports the defense industry as a leading edge in maintaining national technological capabilities and the reliance of individual firms on defense contracting
