*UPSC, PSC, SSC, RRB, Banking Examinations English Communicative Part VI* Chandan Sengupta, English Communicative is the set of curriculum implemented by different boards of studies to avail a balanced curriculum to be followed by students of such boards of studies. These sets of curriculum cover up some of the general streams of studies which are common in terms of the studies of Grammar. This set of worksheets and activity resources are meant primarily for students of Grade VI and are prepared accordingly for availing some background study materials to the fellow students. Some of such materials are from the conventional study materials prepared by different schools of well repute. Our main objective is to cover up different topics specified for the fellow students of the particular level of study. Some fundamental questions often strike our mind: Do we speak English properly? Do we write a passage properly? Do we always remain aware of the rules related to speeches while speaking? Do we always claim that whatever presented by us are absolutely correct? Obviously not. We try to represent our aspirations in writing during several instances. We also try to remain stick to rules related to speeches. All the time our representations may not be grammatically correct. Dialects of American origin are considerably different than compared to that of European origin. Our communicative represents an admixture of both the dialects by part. Font size of some of the practice papers are kept small for ensuring accommodation of the material of large volume. Students of higher class can explore them with an ease. They may not feel any specific problem while moving through content areas.
