Voigts,2022-01-20 For many of us prayer is something we know we should do yet it s the one means of connecting with God most intimidating to us In this book Michael C Voigts presents the ultimate expression of prayer not as something we do but as part of our very nature Prayer is more than merely praying Communication with God involves our entire lives This book follows a four stage process which begins with love for God and culminates in life in God Grounded in Scripture and the witness of those in historic Christianity this ecumenical approach to prayer fuses theology and experience with conversational accessible language and ideas Saint Joseph Guide for Christian Prayer: The Liturgy of the Hours, for Use with Edition Catholic Book Publishing Corp,2014-09-15

The Didache Shawn J. Wilhite,2020-03-26 Shawn J Wilhite s commentary on the Didache complements the study of early Christianity through historical literary and theological readings of the Apostolic Fathers seeking to be mindful of critical scholarship while commenting on a final form text The Didache includes a brief introduction to this relevant text the use of Scripture by the Didachist and the theology of the Didache The commentary proceeds section by section with a close ear to the text of the Didache relevant early Christian literature and current scholarship **Anonymous Christians** Herbert E. Hudson IV,2017-11-29 This book explores the relationship of clergy to Twelve Step programs Field research of pastors in the Florida Keys found that they are unsure if addiction is a disease or a sin and whether the Twelve Steps are based on Christianity Lessons learned include the validity of both traditional Twelve Step programs such as Alcoholics Anonymous and Christ centered programs such as Celebrate Recovery the coherence of sin and disease explanations of addiction and the significance of modern addiction theory The specific outcome of this study is the development of a course syllabus for clergy on addiction recovery through Twelve Step philosophy **St. Joseph Christian Prayer Guide, 2000 Ed.** Catholic Book Publishing Co,Catholic Book Publishing Staff,1997-09-01 **Pathways to the Waters of Grace** David B. Batchelder,2017-05-16 What if the church took with utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God s call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church s practice of baptizing children This book s underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ s disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises

to be life changing for all involved
