Hucks,Yolanda Sealey-Ruiz,Victoria Showunmi,Suzanne C. Carothers,Chance W. Lewis,2022-01-01 Teachers have faced serious public critique regarding their effectiveness and professionalism in classrooms At every level their work is often measured solely against student achievement outcomes often on standardized tests Darling Hammond Ravitch 2010 Unfortunately students who are coming from culturally economically and linguistically diverse backgrounds are often occupying the bottom rungs regarding academic achievement Ladson Billings 1995 Milner 2010 Hucks 2014 What are the obstacles and challenges teachers and students face in their respective school settings and how do they grapple with and overcome them Finally what do these teachers and students know that motivates and informs their work The scholars in this volume will take up these questions and share the findings of their research in the field of leadership teacher education and achievement These concerns are not limited to the geographic boundaries of the United States of America Engaging purposeful teaching is an imperative that concerns students teachers teacher educators educational leaders and education policy makers around the globe There are many educators worldwide who are committed to delivering this type of teaching and promoting learning that is engaged and active The four sections of the book capture the work of educators in teaching in diverse global settings such as the Australia United Kingdom Jamaica Turkey and across America As diverse populations of students enter American classrooms it is important for their teachers to have relatable examples of purposeful teaching that are culturally responsive and culturally relevant

Czech Law in Historical Contexts Jan Kuklík,2015 The legal system of the present day Czech Republic would not be understood properly without sufficient knowledge of its historical roots and evolution This book deals with the development of Czech law from its initial origins as a form of Slavic law to its current position reflecting the influence of the legal systems of neighbouring countries and that of Roman law The reader can see how a legal system originally based on custom developed into written and codified law Czech law was fully dependent upon developments within the Luxemburg Jagiellonian and primarily Habsburg monarchies although some features remained autonomous The 20th century is particularly important in the development of the Czech state and law of today namely due to the establishment of an independent Czechoslovakia in 1918 and its split in 1992 giving rise to the independent identities of the Czech Republic and the Slovak Republic It was a century encompassing periods of democratic as well as totalitarian regimes political ideological economic and social changes stemming from such transformations were projected into and reflected in the system of Czechoslovak and Czech law It can therefore serve as a case study for researchers interested in the transition of democratic legal systems into totalitarian regimes and vice versa
