This updated edition includes the following new material: An extensive discussion of the major changes occasioned by the ACA. The antitrust decision *Federal Trade Commission v. Phoebe Putney Health System*. Quality issues related to accountable care organizations and The Joint Commission's accreditation standards. The ACA's Shared Savings Program and its effect on further hospital/physician alignment and physician employment. The Foreign Corrupt Practices Act. Important points are highlighted in each chapter through objectives, summaries, discussion questions, and case excerpts.
