Ghosts, Demons & the Unexpected Victor Sharpe, 2018-02-07 These are ghostly and demonic stories that follow the tradition of the supernatural All the tales in this book emanate from my own imagination and creation However several of them are influenced by events I have witnessed myself As the great 18th century British writer Samuel Johnson wrote It is undecided whether or not there has ever been an instance of the spirit appearing after death All argument is against it but all belief is for it Tales of ghosts and demons are as old as humanity itself **Popular Science** , 1960-06 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **A Critical Pronouncing Dictionary of the English Language, Together with Principles of English Pronunciation and a Key to the Classical Pronunciation of Greek, Latin and Scripture Proper Names, Interspersed with Observations, Etymological, Critical and Grammatical** John Walker, 1859 **Against the Twilight** Donald James Parker, 2010-01-21 Heather has reached the pinnacle of the publishing world through weaving suspenseful plots in romantic novels featuring vampires She s the toast of the town to most but to David her fiction threatens to toast a whole generation of readers in the broiler of Hell He writes his own book to enlighten the world about the dangers and evil of vampire glorification He and Heather appear to be perfect candidates for a fierce war of words but the ardor for battle is diminished by their mutual attraction Despite their attempts to squelch the magnetic pull their chemistry causes romance to bubble under the surface through all of the twists and turns of their adversarial relationship While Heather s mother schemes to get the two together an old gentleman at the nursing home attempts to set David up with Cindy a nurse at the home Cindy s beauty falls short of Heather s but her spiritual beauty surpasses and grows as she places her love for David on the altar and focuses on worshipping God rather than one of His creatures As David s life of service to God poses continual challenges he struggles to deal with the romantic tug of war which threatens to paralyze him and unravel the tapestry of his ministry As a man who communes with God on a daily basis he receives the word from the Lord that he needs to trust that all will be well He does trust when faced with a dangerous situation on the streets but finds that allowing God to safeguard his heart proves to be a tougher assignment **Black House** Stephen King, Peter Straub, 2012-11-06 From the 1 New York Times bestselling authors of *The Talisman* an intelligent suspenseful page turner *The Wall Street Journal* from two master craftsmen each at the top of his game *The Washington Post* Twenty years ago a boy named Jack Sawyer traveled to a parallel universe called the Territories to save his mother and her Territories Twiner from an agonizing death that would have brought cataclysm to the other world Now Jack is a retired Los Angeles homicide detective living in the nearly nonexistent hamlet of Tamarack Wisconsin He has no recollection of his adventures in the Territories and was compelled to leave the police force when an odd happenstance event threatened to awaken those memories When a series of gruesome murders occur in western

Wisconsin that are reminiscent of those committed several decades ago by a madman named Albert Fish the killer is dubbed the Fishman and Jack's buddy the local chief of police begs Jack to help the inexperienced force find him But are these new killings merely the work of a disturbed individual or has a mysterious and malignant force been unleashed in this quiet town What causes Jack's inexplicable waking dreams if that is what they are of robins eggs and red feathers It's almost as if someone is trying to tell him something As this cryptic message becomes increasingly impossible to ignore Jack is drawn back to the Territories and to his own hidden past where he may find the soul strength to enter a terrifying house at the end of a deserted tract of forest there to encounter the obscene and ferocious evils sheltered within it *Burial Ground* Stephen B King, 2024-04-03 Tammy and Greg meet at a party in the Perth hills and sneak away to a disused gravel pit to be alone They are interrupted by two men burying something who then attack Greg and chase a naked Tammy throughout the night She is found the next day delirious and suffering hypothermia She tells Detective Sam Collins and Jenny Markham what she witnessed and reports Greg's murder But his body is found in a car wreck and the crash report says he died because of alcohol and speed on a sharp bend This casts doubt on Tammy's story and Sam wonders if she imagined the incident Doubting the official crash report he and Jenny investigate further and discover two serial killers who have been burying their victims at the gravel pit for seventeen years Sam must lead a huge police task force to try find them before they kill again

Good Old-Fashioned Values Melissa Vosen Callens, Olivia Vogt, 2024-07-18 Seth MacFarlane has made an immense mark on popular culture through both his live action and animated television series Family Guy American Dad The Cleveland Show and The Orville While MacFarlane has garnered a large legion of fans even those who do not personally watch Family Guy this longest running series will be quick to recognize images of Peter and Stewie Griffin a caricature of the clueless dads from sitcoms of yesteryear and an inexplicably queer coded evil baby genius respectively This book explores Family Guy and Seth MacFarlane's other animated series closely examining how the series uses satire and other strategies to construct specific ideas related to sex gender and family The authors argue that the series like many other television series contribute to our collective understanding of family and reinforce at times unfavorable gender stereotypes *The Saturday Evening Post*, 1917
