efforts sought to answer an important question contemporary issues related to sports were neglected such as globalization commercialization feminism masculinity critical race theory and the ethics of doping This volume contains lively up to date essays from leading figures in the field to fill this scholarly gap It treats religion as an indispensable prism through which to view sports and vice versa This book is ideal for students approaching the topic of religion and sport It will also be of interest to scholars studying sociology of religion sociology of sport religion and race religion and gender religion and politics and sport in general

**California's Recall Election of Gavin Newsom** Larry N. Gerston, Mary Currin-Percival, Garrick L. Percival, 2022-08-02 California went through a political earthquake of sorts when the state recalled Governor Gray Davis in 2003 In 2021 the state faced another political turning point with the threatened recall of Governor Gavin Newsom Less than two years after Newsom's overwhelming election victory more than two million Californians signed on to the recall effort hoping to expel him from office in a special election How could such a monumental turnabout be possible Normally the political headwinds would be much too strong for a movement to oust a governor who had decisively vanquished his opponent But with the COVID 19 pandemic dominating every aspect of society including politics these weren't normal times Organizing a recall election is a demanding enterprise it takes abundant political energy tremendous amounts of anger with the status quo and mounds of money Yet for the second time in less than two decades such wheels were set in motion What is it that makes California so dynamic yet so fragile This book explains that paradox and in the process enlightens readers about the recall process the challenges of federalism and the pitfalls of direct democracy It examines the underlying conditions that expose a state with poorly linked institutions a bitterly divided society and a governor who had to act under nearly impossible conditions demonstrating his strengths and vulnerabilities along the way It's a story that could happen only in California a state with a history of only stories Designed to be useful in a variety of college courses this book is the first to unveil the Newsom backstory and will appeal to pundits and politicians as well as interested general readers

*8 Reasons Why I am No Longer A Democrat!* Dr. Glenn Pinckney Sr, 2016-11-21 This book is written in this manner size and style to easily show the biblical relevance of our civic actions as well as improving our daily relationship with our Lord My utmost desire is that Born Again Believers embrace the truth of Christ like living not religiously but in reality A reality that transcends tradition customs and we've always done it this way kind of thinking I grew up in the South where traditions and customs run deep However God's Word inspired me to think about many of these customs For example many Southern Black people regardless of academic achievements pronounce the word ask as axe without thinking about why Also many vote for Democrats their entire lives without any regard to the Democratic Party's Platform the Candidate's

stand on abortion homosexuality lesbianism or any other social issues Yet on Sundays they will worship and praise God Then on Tuesdays they will vote in direct contradiction to the very God they worshipped and praised just a few days before We simply vote as Democrats as if it s in our DNA not giving thought to how our vote will enable the enemy of our soul to move against our beliefs our church even our Salvation Is that biblically correct Well as Believers in Jesus the Redeemer of mankind our DNA has been transformed Shouldn t we reflect that change in our daily lives as well as in our civic responses to social issues in our community and our country It is my prayer that the reader will get answers to these and other questions that confront a child of God traveling through this journey of life with the Savior
