Among the statistics are many anecdotes of their performances. The decade by decade study of pinch hitting begins in 1892 when it first became permissible to substitute players in major league baseball for reasons other than injury. In addition to focusing on the substitute batters who were the leaders in each era there are chapters devoted to the characteristics of an effective pinch hitter preparation for the job the impact of the designated hitter and how a player becomes a pinch hitter in the first place. The considerable accomplishments and strengths of these players who for too long have not been given the recognition they deserve are presented in detail. Stand And Deliver Rachel Lawson, 2024-08-12 What are you doing my lady asked Sir Justin thinking she looked very pretty sitting amongst the autumn leaves. She blushed. It is ethereal here today said Mary looking at Sir Justin who looked more handsome than ever. It is a glorious day said Sir Justin not lying. Are you alright? Yes come sit beside me said Mary. Why asked Sir Justin. The view is best from here said Mary. As long as no one's around said Sir Justin. With a smile she said No one is here. Sir Justin sat beside her. What are we looking at asked Sir Justin. Everything the wind is singing in the trees blowing leaves through the air as they fall to the ground. The birds are singing and the forest floor is covered in crisp leaves thick as snow said Mary. Forgetting propriety and everything He lay on his back in the leaves. I have never seen anything so beautiful. I could forget everything and live here in this moment forever then looking up at the sky He said This looks better. *Stand and Deliver* Patrick Pringle, 2016-10-27 The true story of the highwaymen has never been written nor can it be. The chroniclers were slavishly faithful to their authorities flatteringly so in fact for these authorities consisted of a lot of chapbooks broadsheets penny dreadfuls and twopenny bloods dying confessions that had come in for a good deal of posthumous editing and the contemporary gutter Press which was even more unreliable than it is today. Many of these authorities were so contradictory that the truth at all costs chroniclers left out some of the best bits of highway lore in their vain attempts to keep faithful to their ridiculous principles. Our own ambition is more modest. We have not sought the El Dorado of absolute truth. We have gone back to the same sources that the chroniclers used and we have taken pains to ignore the latter gentlemen whenever contemporary reports are still extant. We have not moralized like the chroniclers nor have we embellished like the novelists. We have added nothing but we have taken away a good deal. We have tried to use our discretion in selection and our judgment in discrimination between contradictory versions of the same events.
