*Classroom (Equity and Social Justice in Education)* Nicole Mirra,Antero Garcia,2023-07-25 Help students use their voices to build an equitable and just society Years of political violence and protests against injustice have revived interest in teaching civics in schools The problem Civic education as it currently exists privileges systems not students It promotes incremental change within a broken democracy rather than responding to the youth led movements that call for the abolition of inequitable social structures What will it take to prepare young people for the just future they are fighting for Civics for the

World to Come offers educators a framework for designing the critical civic education that our students deserve Synthesizing perspectives on democratic life from critical race theory ethnic studies Afrofuturism and critical literacy the book presents key practices for cultivating youth civic agency grounded in equity and justice The authors explore five world building civic skills Inquiry Storytelling Imagination Networking and Advocacy and introduce readers to real learning communities where students and educators are transforming themselves and society      *Citizenship* Diana L. Reische,American Association of

School Administrators,1987 The central question of this book is how can schools that are already overloaded with assignments from society find the time and techniques to produce effective citizens Six chapters examine this problem Chapter 1 documents the need for civic education and the problems related to providing an effective civic education Chapter 2 explores the many different interpretations of citizenship education and determines that it stems from all educational experiences A discussion of the different content areas and approaches associated with citizenship education is presented in chapter 3 State mandates and the place of citizenship education in the elementary junior high and high school curricula are outlined in chapter 4 Methods of providing hands on experience to students through youth participation programs are outlined in chapter 5 The concluding chapter discusses ways to use the bicentennial celebration to revitalize citizenship education A five page list of references is provided and the book concludes with 21 recommendations for strengthening civic education SM      **Civic Education and the Future of American Citizenship** Elizabeth Kaufer Busch,Jonathan W.

White,2013 Lack of civic knowledge ignorance about the U S Constitution and general ambivalence about education threaten the fiber of this nation The remedy to this malaise advocated in various ways by a diverse group of contributors is a well rounded liberal education that prepar      Civic Education for Diverse Citizens in Global Times Beth C. Rubin,James M.

Giarelli,2011 This book explores four interrelated themes rethinking civic education in light of the diversity of U S society re

examining these notions in an increasingly interconnected global context re considering the ways that civic education is researched and practiced and taking stock of where we are currently through use of an historical understanding of civic education There is a gap between theory and practice in social studies education while social studies researchers call for teachers to nurture skills of analysis decision making and participatory citizenship students in social studies classrooms are often found participating in passive tasks e g quiz and test taking worksheet completion listening to lectures rather than engaging critically with the curriculum Civic Education for Diverse Citizens in Global Times directed at students researchers and practitioners of social studies education seeks to engage this divide by offering a collection of work that puts practice at the center of research and theory *Civic Education* Susan Douglas Franzosa, 1988 **Teaching Civics in Unstable Times** Andrew Tripodo, 2021-11-10 American political culture runs through civics classrooms and the degraded dialogue and scorched earth partisanship that has defined modern American politics is an indicator that all is not well in our nation s schools Teaching Civics in Unstable Times Guidelines for Defining We in American Democracy offers a fresh expansive view of what civic education can look like in K 12 classrooms and presents three strategies to help teachers curriculum writers and administrators turn their schools into laboratories for democracy that train young people for the moral and intellectual challenges of democratic citizenship This book defines democracy as a way of life that is characterized by frequent public engagement stubborn open mindedness and rigorous debate Our democratic government depends on our citizens leading a democratic life and civic education s chief priority is to teach young people how to do so Civic curriculum has spent decades obsessing over names and dates that fail to give students a sense of their vaunted place in our governing system This book presents three strategies for teaching civics that invest young people in our shared grand experiment in self government and prepares them to lead our nation towards a politics that is more compassionate inclusive and inspired Teaching Civic Literacy Projects Shira Eve Epstein, 2014 This practical resource shows teachers how to enact robust forms of civic education in today s schools Both instructive and thought provoking it will inspire teachers to craft curricula addressing a wide range of genuine civic problems such as those related to racial discrimination environmental damage and community health Dividing civic literacy projects into three key phases problem identification problem exploration and action the author provides concrete examples from upper elementary middle and high school classrooms to illustrate and analyze how each phase can unfold The projects ultimately provide opportunities for youth to participate in civic life while they develop essential literacy skills associated with reading writing and speaking The final chapter outlines a curriculum design process that will result in coherent and meaningful civic literacy projects driven by clear goals It includes practical tools such as a sample unit timeline an assessment chart and student worksheets that can be modified for immediate use Shira s work offers us a reflection of democratic practice in the classroom through the teaching of critical reading persuasive writing and deliberation In Teaching Civic Literacy Projects Shira invites us all to contemplate the depth of the democratic project and the possibility that schools

can help uphold our democratic ideals From the Foreword by Celia Oyler professor Teachers College Columbia University  
This book is a gem Shira Epstein has provided invaluable assistance for teachers interested in engaging their students in the political and civic spheres in ways that build crucial literacy skills The combination of a powerful framework and rich and detailed case studies provides readers with a clear vision and helpful specific guidance for creating robust civic learning experiences for young people Diana Hess senior vice president Spencer Foundation and professor University of Wisconsin Madison Excellent civic education means encouraging young people to identify and define problems and take action That is challenging in our era of political polarization and narrow definitions of education Shira Eve Epstein provides the best practical guide for teachers who want their students to confront social problems Peter Levine Lincoln Filene Professor of Citizenship Public Affairs Tufts University      **Making Better Citizens** Civic Education Foundation, Cambridge, Mass,1952
