SS-Wiking Rupert Butler,2012-07-16 The 5th SS Division Wiking was the first international i e largely non German Waffen SS division and the only German panzer division comprised largely of foreign troops The division quickly earned itself a deserved combat reputation but also served as a finishing school spinning off a host of additional Waffen SS divisions

SS-Wiking Rupert Butler,2002 This military history examines the SS Wiking one of Germany s top fighting units in WWII who were largely recruited from foreign volunteers of German occupied countries Butler describes their service on the Eastern Front for the Nazi cause 5th SS Wiking at War, 1941-1945 Ian Baxter,2018-03-30 A photographic documentation of the German foreign volunteer unit a valuable addition to any enthusiast s library of WWII military history books Firetrench Drawing on a superb collection of rare and unpublished photographs the 5th SS Division Wiking 1941 1945 is the 5th book in the Waffen SS Images of War Series by Ian Baxter The book tells the dramatic story of the 5th SS Panzer Division Wiking at War The men of the division were recruited from foreign volunteers in Denmark Norway Sweden Finland Estonia the Netherlands and Belgium under the command of German officers Not all were collaborators the choice they were all too often presented with was join up or be locked up or worse During the course of the war the division served on the Eastern Front in 1941 It surrendered in May 1945 to the American forces in Austria The photos are mostly unpublished before and give an excellent impression of Wiking at war We see a good variety of conditions over the 5 years of their war from the height of summer to the depths of winter We see fine detail of their uniforms and personal equipment as well as the development of larger equipment from motorcycles and early Panzer IVs to the larger Panthers of the final period There is also good coverage of anti aircraft and anti tank weapons as well as heavier artillery There is a good spread of detail in here which will interest the historian as well as the reenactors militaria collectors and modelers alike Military Model Scene

*5th Waffen SS Panzer Division Wiking* Gustavo Uruena A,2000-02-17 15th April 1945 The Leader s Order Order Of The Day 15th April 1945 Last Proclamation Soldiers Of The German Eastern Front For the last time our deadly enemies the Jewish Bolsheviks have launched their massive forces to the attack Their aim is to reduce Germany to ruins and to exterminate our Folk Many of you soldiers in the east already know the fate which threatens above all German women girls and children While the old men and children will be murdered the women and girls will be reduced to barrackroom whores The remainder will be marched off to Siberia We have foreseen this thrust and since last January have done everything possible to construct a strong Front The enemy will be greeted by massive artillery fire Gaps in our infantry have been made good by countless new units Our Front is being strengthened by emergency units newly raised units and by the Germanic Folk Militia This time the Bolshevik will meet the ancient fate of Asia he must and shall bleed to death before the capital of the German Reich Whoever fails in his duty at this moment behaves as a traitor to our Folk The Regiment or Division which abandons its position acts so disgracefully that it must be ashamed before the women and children who are withstanding the

terror of bombing in our cities Above all be on your guard against the few treacherous Officers and soldiers who in order to preserve their pitiful lives fight against us in Russian pay perhaps even wearing German uniform Anyone ordering you to retreat will unless you know him well personally be immediately arrested and if necessary killed on the spot no matter what rank he may hold If every soldier on the Eastern Front does his duty in the days and weeks which lie ahead the last assault of Asia will crumple just as the invasion by our enemies in the west will finally fail in spite of everything Berlin remains German Vienna will be German again and Europe will never be Russian

**Divisions** Chris Bishop, 2005 The divisions of the Waffen SS were the elite of Hitler's armies in World War II but some of the most fanatical of these were not even German SS Hitler's Foreign Divisions is an in depth examination of the approximately 350 000 foreign volunteers from German occupied countries who opted to fight for the Third Reich as members of the Waffen SS The book explores the background to their recruitment and describes on a unit by unit basis their history structure and combat record in the war Despite their non Germanic background the Norwegians Dutch Danes Belgians Latvians Estonians Cossacks Ukrainians and other nationalities often motivated by an extreme anti Communist zeal fought hard on the Eastern Front for the Nazi cause even when their position was hopeless Often treated badly by their German commanders the foreign SS units were not all excellent combat formations however some like the British and Indian volunteers were used for propaganda purposes only while others like the notorious Dirlewanger Brigade who helped brutally suppress the Warsaw Rising were nothing more than murderous criminals in uniform Other divisions such as the Russian recruited 30th Waffen Grenadier Division der SS formed in the final months of the war never reached a functional strength and were disbanded before they saw action Illustrated with rare photographs and written by an acknowledged expert SS Hitler's Foreign

**Vikings** Jonathan Trigg, 2011-11-30 The Nazis dream of a world dominated by legions of Aryan supermen forged in battle and absolutely loyal to Adolf Hitler was epitomised by the Waffen SS Created as a supreme military elite it grew to become Nazi Germany's second army an immense force totalling almost one million men by the end of the War An astonishing fact about the SS is that thousands of its members were not German Men stepped forward from almost every nation in Europe for many sometimes complex reasons that included hatred of Bolshevism and nationalist sentiment or even straightforward anti Semitism foremost among them were Scandinavians from Denmark Norway Sweden and even Finland Thousands were recruited from 1940 onwards and fought with distinction on the Russian Front They served at first in national legions but were then brought together in the elite Wiking Panzer Division and the Nordland Panzer grenadier Division In Hitler's Vikings Jonathan Trigg details the battles these men fought and what inspired them to join the Waffen SS based in part on interviews with surviving veterans

*The Finnish Volunteer Battalion of the Waffen SS* Wilhelm Tieke, 2025-01-30 The Finnish Volunteer Battalion of the Waffen SS had a unique history serving with distinction in southern Russia before being recalled to fight against Soviet forces The Finnish Volunteer Battalion of the Waffen SS was a formation with a very unique history Its members volunteered and were spirited out of Finland to Germany under watchful Russian eyes Unlike other legions from various countries the battalion did not fight until the end of the war In fact upon its return home its soldiers were immediately drafted into the Finnish army and fought against the Soviets When Finland sued for peace former Finnish

SS men fought against German troops as they retreated from Finland The Battalion joined the SS Wiking Division in January 1942 and fought in southern Russia and the Caucasus until its mission ended in April 1943 With its soldiers badly needed on the home front it was recalled due to intense pressure from the Finnish government The battalion served with great sacrifice and proved itself worthy of being a part of one of Germany's elite divisions

**In the Fire of the Eastern Front** Hendrik Verton, 2008-11-20 Dutch SS accounts are very rare particularly ones such as this covering recruitment training and front line service first with 5th SS Panzer Division Wiking then later with SS Regiment Besslein He not only informs and illustrates the general politics of the time but also explains how Dutch views of the Third Reich changed so radically discusses the founding of the Waffen SS the recruitment of Dutch volunteers into it and why so many non German Europeans volunteered to fight and risk their lives for Germany His discussion of the intensity of the SS's training is also noteworthy Of course the core of the book lies in Hendrik's recollections of his service on the Eastern Front between 1941 and 1945 initially with the 5th SS Panzer Division Wiking He offers the reader an impressive and fluid account whether it be describing the midst of battle surviving 50 degrees below zero frosts and frozen ground or traversing quagmired roads Of particular historical interest are his later recollections of service during 1944-45 with SS Regiment Besslein on the Eastern Front focusing on his participation in the epic defense of Breslau this siege remains little known in the West and first hand accounts such as Hendrik's are even scarcer making this title a worthy addition to the literature on the Second World War

**Valhalla's Warriors** Terry Goldsworthy, 2010-06 They were the soldiers sworn by an oath of loyalty to follow Hitler into a maelstrom of genocidal barbarity They were the elite of the German military in World War Two They were the Waffen SS On June 22 1941 before dawn German troops invaded Russia The Barbarossa campaign included some of the greatest episodes in military history it also allowed Hitler's ideological warriors the Waffen SS to give full vent to their ideological way of war It provided the killing ground in which some of the worst atrocities seen by humanity were committed In Valhalla's Warriors author Dr Terry Goldsworthy meticulously chronicles what has become one of the most famous fighting elites in World War Two Discovering the truths behind the legend by drawing on hundreds of sources including first hand accounts of Waffen SS veterans and spanning five years of research Dr Goldsworthy leads the reader through the events that occurred on the Eastern Front both on the front lines and behind This book is an exploration of the Waffen SS and by necessity of evil The Waffen SS are commonly regarded as the elite of Germany's armed forces during World War II They gained much of this reputation whilst fighting on the Eastern Front in Russia Germany's war against the Soviet Union in World War II in particular the role of the Waffen SS forms much of the subject matter of this book The death and destruction during this conflict would result not just from military operations but also from the systematic killing and abuse that the Waffen SS directed against Jews Communists and ordinary citizens This book provides a clear concise history of the Waffen SS campaign of conquest and genocide in Russia by looking at the actions both on and behind the front lines By drawing on the

best of military and Holocaust scholarship this book dispels the myths that have distorted the role of the Waffen SS in both the military operations themselves and the unthinkable crimes that were part of them The conventional wisdom that the Waffen SS in World War II fought a relatively clean fight unsullied by the atrocities committed by the Nazis is challenged and largely demolished Focusing on the Eastern Front the book contends that the Nazi vision of a racial ideological death struggle against Slavic hordes and their Jewish Bolshevik commissars resonated with soldiers of the Waffen SS steeped in traditional anti Semitic and racist dogmas In doing so this book clearly shows that the Waffen SS was an organisation that committed widespread atrocities and were truly soldiers of evil

Anglo German Relations from Munich to Prague Upon his return from the Munich Conference Mr Chamberlain the British Prime Minister no doubt fully intended to carry out a policy of peace But the Conservative Opposition was of a different mind and Chamberlain was therefore unable to put the Anglo German rapprochement on a firm basis Munich was a bud which failed to blossom The tension created by Italy's claims in the Mediterranean compelled Chamberlain to speed up the pace and volume of the British rearmament program Furthermore as early as October 1938 Hitler found himself obliged as a result of statements by British politicians about the fate of German citizens inside the Reich to protest against London's attitude of governess like guardianship The Reich he said did not bother itself about similar matters in the British Empire referring to events in Palestine G 219 On January 30 1939 Hitler emphasized in a speech to the Reichstag that National Socialist Germany and Fascist Italy were strong enough to win any conflict frivolously caused by irresponsible persons Germany he said had no territorial demands to make on England and France except the return of her colonies There was not a single German especially no National Socialist who had any thought of making difficulties for the British Empire G 241 In February and March he delivered other speeches of a similar import To sum up the causes for the growing tension between the Axis Powers on one hand and Britain and France on the other were the rivalry between Italy and France in the Mediterranean which indirectly made Anglo German relations worse the exaggerated notions about Germany's expansionist
