Sscboard Ict Paper2015

John S Gilchrist

Sscboard Ict Paper2015:

Performance and Innovation in the Public Sector Evan M. Berman, Imane Hijal-Moghrabi, 2022-12-22 Managing for results is increasingly important for the success of public organizations Performance and Innovation in the Public Sector is a comprehensive textbook that examines a broad range of performance strategies Today s public managers require a broad toolkit and a deep current understanding of the following performance management digital government collaboration strategic planning innovation lean government and managing people for performance This book provides a thorough overview of broad paradigms and their emergence practical strategies along with examples and up to date applications and an appreciation for the diverse contexts of public organizations resulting in varied and tailored improvements Each chapter assists students in applying each tool at work Performance and Innovation in the Public Sector provides a balance of scholarship and practice offers flexibility for instructors and is written in an accessible style that students and professionals appreciate This revised much anticipated third edition includes an increased emphasis on improving governance and innovation as well as up to date examples that demonstrate best practices for performance in diverse public sector settings Winner of the American Society for Public Administration Outstanding Book Award 2024

The Government and Copyright John S Gilchrist, 2015-09-01 The Government and Copyright The Government as Proprietor Preserver and User of Copyright Material Under the Copyright Act 1968 focuses on the interplay between law policy and practice in copyright law by investigating the rights of the government as the copyright owner the preserver of copyright material and the user of other s copyright material under the Copyright Act 1968 Cth The first of two recurring themes in the book asks the question whether the needs and status of government should be different from private sector institutions which also obtain copyright protection under the law The second theme aims to identify the relationship between government copyright law and policy national cultural policy and fundamental governance values As the first authoritative treatise on government copyright to be published in Australia this book will be of immediate interest and relevance to Australian lawyers and policy makers particularly in the light of ongoing efforts to ensure that the intellectual property system stimulates innovation and fosters trade and investment Given that government copyright is recognised to some extent in most countries worldwide this book is a valuable contribution to the international literature on this topic which remains sparse From the Introduction by Dr Anne Fitzgerald and Prof Brian Fitzgerald
