Texas Tomorrow Raul Torres, 2013-08-13 *Texas Tomorrow* presents a blueprint for growing the Texas economy resulting in a higher quality of life for its citizens. It promotes innovative and creative ideas to prioritize state spending, stabilizing the states taxing and regulatory programs, incentivizing the job creators, and calls for true public school reform. The blueprint also shows us that there are alternatives to higher taxes and deeper spending cuts that rob our citizens of their ability to live, work, and prosper. And finally, it calls for the legislature to take bold steps to rein in spending, encourage economic development, and for it to take a real leadership role as Texas transforms itself into a 21st century state.
