* Beginning in Spring 2014 STAAR English I and English II EOCs will measure reading and writing achievement through a single assessment given to one day and tested will measure algebraic reasoning. To ensure continuity for students who have taken STAAR English I or English II EOC in 2013-14 or 2014-15 (when their assessment consisted of separate tests in reading and writing), TEA is reporting raw through the December 2013 administration of STAAR EOCs students can match their English I and English II production requirements for meeting 1 criterion (scale) with raw score, not percentage.

1. Reading and writing are measured under Reading and Writing on the Level I Phase 1 standard (2013 scale score)
2. Meeting or Exceeds the Minimum Score on the other assessment
3. Achieving a combined scale score of 1500 which represents the sum of the scale scores needed to meet Level I Phase 1 for Reading (2013 scale) and Writing (2013)

** Because Minimum Score is set a cap (not for a reference point), setting a Level I Raw Score (1500) in this table is not a specific raw score or an assessment. The raw score identified in this column represents the lowest raw score that results in a scale score that is equal to or greater than the Minimum Score.

Note: The raw score and percentage reported in this table ONLY apply to the Spring EOC Paper Administration STAAR assessments. With each Phase, the EOC EOC results continue from year to year. The raw score points are likely to vary from year to year. The EOC raw score and points reported in this table are useful in giving a generalization or reasonable estimate of applicable raw points in 2014 (or future years).
