Stairway To Heaven The Louise Golden Mysteries:

Stairway to Heaven Laurie Hanan,2014-12-20 The Hawaiian islands are experiencing their worst drought in recorded history Wildfires burn out of control across the state When firefighters discover a badly charred body on a steep mountain ridge wearing swim fins and a diving mask it sounds like the stuff of urban legends The body is identified as a man on Louise s postal route and she wonders if a mysterious package she delivered to him could hold the key to his death Louise learns what was in the package and why everyone wants it but is sworn to secrecy One deception leads to another as Louise hides the truth to protect the innocent and the not so innocent A nineteen year old boy is suspected of murder but Emmeline can t believe it The two teenagers run away on a stolen sailboat A hurricane forming in the Pacific could be the answer to prayers for rain that would put out the destructive fires As Louise races to find the missing sailboat it becomes clear the approaching storm may not be the biggest threat to Emmeline s safety

Stairway to Heaven Peter Levenda,2008-06-01 The idea of heavenly ascent while popularized in Jewish mysticism is neither a unique nor recent one Expertly tracing its origins back to the ancient Middle East Levenda unearths ascent literature in Africa India and China discerns a common connection in the heavens themselves and determines that this connection has been sorely neglected in contemporary scholarship Because scholars treat the heavens as metaphorical it is necessary to recreate the physical context of the culture under discussion in order to better understand it For the benefit of the reader Levenda offers two useful concepts for his investigative journey a map whereby he means the cosmological system to better understand the mystical technologies of each culture investigated and a vehicle the method by which the individual equipped with special knowledge is able to navigate the culture s particular cosmology With these two tools Levenda travels from the worlds of ancient Egypt and Babylon to the Hebrew Bible to Jewish and Christian kabbalists to Daoists in ancient China to Hindu Tantra and Haitian Vodoun and finally to nineteenth and twentieth century European occult societies
