

Uniform State Test (UST) Implementation Information

The Department will not be making available test materials, materials will not be used in the future and will be taken on an as-needed basis during the implementation period and no release of specific content is currently planned. [Click here](#)

Overview

On April 1, 2020, NWEA launched the Uniform State Test for UST. This is the first major change to NWEA's K-12 Test requirements since the NWEA K-12 tests were launched in July 2016.

This UST is a new addition to practice for the National Test. This new addition includes 10 questions which bring the length of the National Test Component with Uniform State Component. 10 questions, of which 5-10 are scored questions are added. This value brings the total length of the National Test to the length of the test component.

This UST national test questions are those knowledge of high level state subject content that is used in the NWEA K-12 and the NWEA K-12/13 National State Component, which means that the UST is designed to be used in the NWEA K-12/13 National State Component with Uniform State Component, and the UST is a UST testing experience.
