Blood Terminal Janet Joyce Holden, 2018-07-06 Book Five and the conclusion of the vampire thriller Origins of Blood A month has passed since Mark Gannon and Lowell Raines disappeared during a desperate search for Deacon leaving Matthew Gannon in command of his Father's formidable empire As the search for the missing continues Matthew stumbles on the discovery of a new threat What began thousands of years ago in North Africa has spread north beyond the Mediterranean and the song of the desert has now been replaced by the call of Europe's ancient tombs In this thrilling climax to the Origins of Blood series Matthew unearths a terrible secret regarding his ancestors that seeks to wrench command from his grasp and threatens the lives of everyone in the House Not one to shy from danger he meets the challenge with support from Gilles Houston and the redoubtable Lily But as the threat becomes a desperate chase toward the place where it all began the fate of those currently missing hangs perilously in the balance Will Mark Lowell and Deacon make it back in time or will their means of escape be lost forever
