

PHARMACOLOGIE & THÉRAPEUTIQUE

IFSI

Département Universitaire de Pharmacologie,
Addictologie, Toxicologie et Thérapeutique,
Faculté de Médecine de Strasbourg

L'administration et la surveillance des traitements médicamenteux ou non médicamenteux sont des activités qui accompagnent les infirmiers et infirmières tout au long de leur exercice professionnel et sont souvent génératrices de stress chez les plus jeunes. Acquérir ces savoirs repose, entre autres, sur une connaissance solide de la pharmacologie des produits concernés. Mais la pharmacologie, de par la nécessaire transversalité des connaissances qu'elle mobilise, est souvent perçue comme une matière difficile voire insurmontable. Dans cet ouvrage, le Département Universitaire de Pharmacologie, Addictologie, Toxicologie et Thérapeutique de la Faculté de Médecine, Maïeutique et des Sciences de la Santé de Strasbourg se propose de lever les verrous de la connaissance en pharmacologie et thérapeutique au moyen de cours didactiques, illustrés et assortis de capsules vidéo expliquant les points complexes ou nécessitant des explications détaillées.

Cet ouvrage a été conçu sur la base du programme national des Instituts de Formation en Soins Infirmiers mais peut servir de support à toutes les filières médicales et paramédicales pour lesquelles la pharmacologie et la thérapeutique sont des matières fondamentales. Il a pour objectif de construire les connaissances sur une solide base de compréhension elle-même permettant de mieux appréhender les effets thérapeutiques des médicaments mais aussi les bases de leur surveillance.

Le collège des enseignants à la base de cet ouvrage est composé de Pharmacologues, de Pharmaciens et de Thérapeutes dont les visions convergentes sur la pharmacologie et la thérapeutique mènent à un support pédagogique qui a pour mission de conduire les professionnels de santé vers un bon usage des médicaments et une réduction globale de la iatrogénie. Espérons qu'il donnera l'envie de comprendre et d'approfondir ces disciplines au grand bénéfice des malades.
