*Gospel Coach* Scott Thomas, Tom Wood, 2012-05-08 In order to help pastors and other Christian leaders to lovingly lead God's flock to Jesus Christ and into God's mission Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself a process in which leaders stir up the gifts passion and calling upon others lives This book addresses the needs of the leader his or her sinful tendencies and church leadership issues It directs the leader to the person and work of Jesus It provides a system to intentionally shepherd leaders to glorify God in their personal spiritual and missional lives Many ministry leaders serving in churches find themselves overwhelmed disillusioned and depressed by

the enormous and challenging task of leading and ministering in a congregation. As a result, the ministry suffers; the leaders suffer, and the result is often an unhealthy church existing with little or no Gospel influence. These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd, Jesus Christ. We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding. We suggest that every church leader needs a Gospel Coach to come alongside with words of truth, wisdom, and experience to encourage, admonish, comfort, and help, words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship. Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles: 1. Know the sheep, 2. Feed the sheep, 3. Lead the sheep, and 4. Protect the sheep. A Gospel Coach both inquires about the personal, spiritual, and missional aspects of a ministry leader's life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin, and leads the ministry leader back to the Gospel through belief, repentance, and obedience. Churches that desire to be rich in a Gospel application toward their city, their relationships with one another, their communication and worship, as well as their service, will benefit to a greater degree by having their leaders being coached by a Gospel-centered leader.

A Short Guide to Church Dean Inerra, 2024-06-04. A common claim in modern American Christianity is that you don't have to go to church to be a Christian. The writers of the New Testament, however, would find a Christian faith separate from the church to be unrecognizable. Dean Inerra has often said to his congregation: "There is more to being a Christian than going to church, but there certainly isn't less." Belonging to a local church is not something made up by a Christian subculture. The local church was God's design. It is his grand idea to display his glory and provide the avenue for his people to flourish as his missionaries to the world. When one begins to see the church as God's plan, the mindset shifts from going to church in order to claim Christianity to seeing oneself as a participant in what God has given his people as a gift. There is a purpose, design, and reason for why the church functions in the manner she does. Consistent practices that may seem as merely tradition upon first glance are prescribed by God for his people to practice together until Christ returns. The local church congregated together is the Lord's primary plan for discipleship, fellowship, and mission for the Christian life. A Short Guide to Church is not a technical treatment of ecclesiology but rather a book to put in the hands of every prospective and current church member to help the body of Christ expressed locally to see the purposes and plan of the local church for their life of faith and why it truly is the best thing going.

**Philippians** Donald Baker, 2012-04-10. What would it be like to have a sense of joy that continued even in times of trouble? Such was the deep joy that the apostle Paul experienced even in prison. His contentment was neither dependent on circumstances nor changed by difficulty. In nine sessions, LifeGuide Bible Study on Philippians. Paul will show you too how to live joyfully in every situation.

Philippians Bruce G. Epperly, 2020-11-04. Philippians A Participatory Study Guide is the sixth volume in the Participatory Study Series. From beginning to end, the student is invited

to absorb the text and allow God's message to change her or his life. At the same time it maintains the series standard of providing a guide that takes account of current biblical scholarship and helps the student examine the text critically while also listening to and being guided by the Holy Spirit. This guide contains eight lessons suitable for use by an individual student but best used in a small group. The lessons are clearly written so that a laity-led class or small group can use them to advantage. In addition there is a guide to using the book that provides insights into Bible study in general and two appendices: one outlining the process of Bible study and one listing and describing useful resources. Each lesson includes prayers, spiritual exercises, thought questions and theological reflection. These are designed to help students learn to see the text in a new way and to realize their full potential through the power of the Holy Spirit. This book will not only impact your knowledge of scripture, it will change the way you pray, live, witness and relate to your community of faith and the world. **Philippians**

**Bible Study Guide plus Streaming Video** Lori Wilhite, 2023-08-08 **DISCOVER THE HAPPINESS YOU'VE BEEN CHASING** Many of us spend our lives chasing happiness through relationships, success and the next adventure. Yet we only discover a dryness in our souls. Why? Because we're chasing the wrong kind of happiness. We chase temporary happiness instead of the eternal happiness found in Jesus. Sometimes we wonder if God wants us to be happy. Someone said that God cares more about our holiness than our happiness, like the two are disconnected. But what if the pursuit of happiness was adjacent to the pursuit of holiness? The problem isn't that God doesn't want us to be happy. The problem is that we're chasing happiness in the wrong things. Happiness is ours when we chase God's joy, His purpose, His unity, His contentment and His peace. Happiness is captured when we chase Him. If you've ever struggled with laying hold of true happiness, this study is for you. Discover the incredible truth that happiness isn't found in the circumstances around us but the power of Jesus in us. This study guide includes individual access to six streaming video talks from Lori, group discussion questions and an opening group activity for each session.
