Philippians The Bible And Your Work Study Series:

Theology of Work Project: Philippians THEOLOGY OF WORK PROJECT,INC,2022-05-03 Paul's letter to the Philippians provides a different sort of answer to the question of where we find strength to do our work. The apostle says that our work is not the result of our own efforts but of God's work in and through us. This eight week study explores a variety of work related topics for today's Christian worker ranging from attitude, ambition and conflict to service provision and the source of our energy. Each chapter includes three 30 minute practical lessons complete with Scripture references and thought provoking questions for individuals or groups at work during their lunch hour. Whether considering the apostle's own work or hearing his challenges in his letter, this is an opportunity to understand how Christ's character affects his followers in the contemporary workplace.

Theology of Work Project: Proverbs THEOLOGY OF WORK PROJECT,INC,2022-05-03 Studying Proverbs is a lifelong endeavor, one that requires using its sayings and teachings as touchstones as we slowly develop virtue, character and an awe of God. This study will work through the book of Proverbs topically as readers study qualities and characteristics of the Wise Worker such as trustworthiness, diligence, shrewdness, generosity, justice, sound speech and modesty. Within each chapter are three lessons each designed for a 30 minute group session. The lessons will explore the book of Proverbs and how it instructs us in regard to work. Great for group or individual use at home or at work on your lunch break.

Theology of Work Project: James THEOLOGY OF WORK PROJECT,INC,2022-05-03 James is jam packed with wisdom for Christians who want to truly apply their faith to everyday life. James takes its readers through the whole letter with a particular focus on this question: How might we apply the wisdom of Scripture to the way we behave in the modern marketplace? Twenty-four short studies grouped into eight weeks or chapters are perfectly suited to a workplace lunch hour study group, a church group of workers interested in how to live out their faith from Monday to Friday, or as a personal pre-work devotion.

Theology of Work Project: Genesis 1-11 THEOLOGY OF WORK PROJECT,INC,2022-05-03 While every book of the Bible will contribute something to our understanding of work, Genesis proves to be the fountain from which the Bible's theology of work flows. Great for group or individual use at home or at work on your lunch break, this particular study delves into what the story of Creation has to say about faith and work.

Theology of Work Project: Luke THEOLOGY OF WORK PROJECT,INC,2022-05-03 Luke's Gospel is the story of how Christ the King established his Kingdom during his time on earth. But what does that mean for his followers in today's workplace? This eight week study explores a variety of work related topics of God's Kingdom from the Gospel of Luke ranging from wealth, power and conflict to leadership, ethics and provision. Each chapter includes three 30 minute practical lessons complete with Scripture references and thought provoking questions for individuals or groups at work during their lunch hour. Whether following Christ on the dusty roads around Jerusalem or hearing his sermons and challenges to local religious authorities, this is an opportunity to bring the reality of God's Kingdom into the contemporary workplace.

Business Ethics - Faith That Works, 2Nd Edition Larry Ruddell, 2014-11-06 Business Ethics Faith That Works 2nd Edition shows how faith forms the foundation for the theory and practice of business ethics and how ethical leadership results in long term success in business It challenges readers to understand their own beliefs and actively base the ethics they practice in business on those beliefs for building an ethical culture that can lead to a sustainable competitive advantage The book begins by covering business ethics basics highlighting how ethics are good for business Ruddell then analyses the Scriptural teaching about business ethics as a model for how faith can and indeed must integrate with business ethics and then contrasts with other secular views of business ethics He continues by reviewing steps for solving ethical problems in business and how to set up and carry out an effective ethics program inside the business and how companies can extend those ethics to those around them through effective social outreach programs and to the environment by being good stewards of our resources
