Maru Reed Newland

Robert P Odenwald

**R.R. Bowker Company. Department of
Bibliography**

Robert P Odenwald :

United States Armed Forces Medical Journal ,1952 **Thomas Verner Moore** Benedict Neenan,2000 Thomas Verner Moore 1877 1969 priest author teacher and practical psychiatrist was one of the first advocates of modern psychology among Roman Catholics in the United States In this fascinating biography Benedict Neenan brings to life this man of staggering accomplishments and recounts the many twists and turns he took in the search for his professional and spiritual development Skillfully intertwining the dramatic interaction between Moore s intense activism and his deeply felt need for contemplation and asceticism Neenan points out the many paradoxes and tensions of his rich and eventful life For example Moore started out in his adult religious life as a member of one of the most progressive and distinctly American religious communities the Paulists and ended it as a member of one of the most traditional orders the Carthusians Besides detailing the life of this accomplished man this work offers a glimpse into American Catholic life American social life in the first half of the twentieth century **Man's Search For Meaning** Viktor E. Frankl,1985 Frankl s elaboration of his theory that man s primary motivational force is the search for meaning **Hearings** United States. Congress. Senate. Committee on Appropriations,1957 *The Nation and Its Older People* ,1961 Evaluation in Mental Health United States. National Advisory Mental Health Council. Community Services Committee,1955 Public Health Service Publication ,1955

Studies in Philosophy and the History of Philosophy John K. Ryan,2018-03-02 The character of this work is perhaps sufficiently indicated by its title However it must be noted that the term philosophy is not used so strictly as to exclude material from other disciplines connected with philosophy or helpful to it and to an unders *Union Catalog of the Graduate Theological Union* Graduate Theological Union. Library,1972 **The American Ecclesiastical Review** Herman Joseph Heuser,1952 Wake Up Little Susie Rickie Solinger,2013-10-15 Rickie Solinger s passionate and powerful history serves to remind us of the importance of the feminist efforts that led to Roe v Wade and the many other measures that have liberated women from the constraints of the past From the new foreword by Elaine Tyler May Twenty five years after the Supreme Court s landmark decision abortion rights are as fiercely contested as ever and current debates over welfare workfare and public assistance to women with children demonstrate the way in which race and class continue to effect women s reproductive freedom A pioneering work Wake Up Little Susie reveals how current attitudes toward these issues developed by examining their roots in the postwar era and discerning how differently they affected black and white women A powerful and shocking book Susie is a must read for anyone seeking to understand the complex and disturbing politics surrounding issues of race class and reproductive rights This new edition includes a foreword by the esteemed social historian Elaine Tyler May and an afterword by the author that places the issues examined in Susie in the context of the current controversies

The Nation and Its Older People United States Health, Education, and Welfare Department,1961 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1967 Includes Part 1 Number 2 Books and

Pamphlets Including Serials and Contributions to Periodicals July December *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979 *Confession* Patrick W. Carey, 2018-09-05 Confession is a history of penance as a virtue and a sacrament in the United States from about 1634 when Catholicism arrived in Maryland to 2015 fifty years after the major theological and disciplinary changes initiated by the Second Vatican Council Patrick W Carey argues that the Catholic theology and practice of penance so much opposed by the inheritors of the Protestant Reformation kept alive the biblical penitential language in the United States at least until the mid 1960s when Catholic penitential discipline changed During the nineteenth and early twentieth centuries American Catholics created institutions that emphasized in opposition to Protestant culture confession to a priest as the normal and almost exclusive means of obtaining forgiveness Preaching teaching catechesis and parish revival type missions stressed sacramental confession and the practice became a widespread routine in American Catholic life After the Second Vatican Council the practice of sacramental confession declined suddenly The post Vatican II history of penance influenced by the Council's reforms and by changing American moral and cultural values reveals a major shift in penitential theology moving from an emphasis on confession to emphasis on reconciliation Catholics make up about a quarter of the American population and thus changes in the practice of penance had an impact on the wider society In the fifty years since the Council penitential language has been overshadowed increasingly by the language of conflict and controversy In today's social and political climate Confession may help Americans understand how far their society has departed from the penitential language of the earlier American tradition and consider the advantages and disadvantages of such a departure **Freudian Theory and American Religious Journals, 1900-1965** Ann Elizabeth Rosenberg, 1980 Sigmund Religion Amerika **Into Silence and Servitude** Brian Titley, 2017-08-01 For many American Catholics in the twentieth century the face of the Church was a woman's face After the Second World War as increasing numbers of baby boomers flooded Catholic classrooms the Church actively recruited tens of thousands of young women as teaching sisters In *Into Silence and Servitude* Brian Titley delves into the experiences of young women who entered Catholic religious sisterhoods at this time The Church favoured nuns as teachers because their wageless labour made education more affordable in what was the world's largest private school system Focusing on the Church's recruitment methods Titley examines the idea of a religious vocation the school settings in which nuns were recruited and the tactics of persuasion directed at both suitable girls and their parents The author describes how young women entered religious life and how they negotiated the sequence of convent formation stages each with unique challenges respecting decorum autonomy personal relations work and study Although expulsions and withdrawals punctuated each formation stage the number of nuns nationwide continued to grow until it reached a pinnacle in 1965 the same year that Catholic schools achieved their highest enrolment Based on extensive archival research memoirs oral history and rare Church publications *Into Silence and Servitude* presents a compelling narrative that opens a window on

little known aspects of America's convent system Strangers in Our Midst Elise Rose Chenier, 2008-01-01 Contemporary efforts to treat sex offenders are rooted in the post Second World War era in which an unshakable faith in science convinced many Canadian parents that pedophilia could be cured Strangers in Our Midst explores the popularization of the notion of sexual deviancy as a way of understanding sexual behaviour the emergence in Canada of legislation directed at sex offenders and the evolution of treatment programs in Ontario Popular discourses regarding sexual deviancy legislative action against sex criminals and the implementation of treatment programs for sex offenders have been widely attributed to a reactionary conservative moral panic over changing sex and gender roles after the Second World War Elise Chenier challenges this assumption arguing that in Canada advocates of sex offender treatment were actually liberal progressives Drawing on previously unexamined sources including medical reports government commissions prison files and interviews with key figures Strangers in Our Midst offers an original critical analysis of the rise of sexological thinking in Canada and shows how what was conceived as a humane alternative to traditional punishment could be put into practice in inhumane ways

American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography, 1978

Predatory Nuns Brian Titely, 2022-06-08 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings

Robert P Odenwald Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change.
