*Summary of Roberto Saviano's Zero Zero Zero* Everest Media,2022-05-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The people who use cocaine are right next to you The police officer who is about to pull you over has been snorting for years and everyone knows it 2 I was asked to write about a speech that had been recorded on an iPhone at a meeting The police wanted to know if the story went the way the young man said it had or if it had been staged 3 The police officer told me that the young man his informant had heard the only valuable lesson how to be in the world and had recorded it on the sly If I wrote about it and nobody did anything it would prove that the young man was telling the truth 4 The police officer read me the transcript he d made They d met in a room not far from where we were randomly seated not in a horseshoe like they do at ritual initiations The old Italian began speaking without even introducing himself Italian Literature since 1900 in English Translation Robin Healey,2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s *Italian Literature before 1900 in English Translation* also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature *ZeroZeroZero* Roberto Saviano,2016-08-30 An electrifying internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough Dane DeHaan and Gabriel Byrne from the author of the 1 international bestseller *Gomorra* *Zero zero zero* flour is the finest whitest available It is also the nickname among narcotraffickers for the purest cocaine on the market And it is the title of Roberto Saviano s unforgettable exploration of the inner workings of the global cocaine trade its rules and armies and the true depth of its reach into the world economy Saviano s *Gomorra* his explosive account of the Neapolitan mob the Camorra was a worldwide sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection for more than eight years During this time he has come to know law enforcement agencies and officials around the world With their cooperation Savaiano has broadened his perspective to take in the entire global corporate entity that is the drug trade and the complex money laundering operations that allow it to function often with the help of the world s biggest banks The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy Saviano tracks the shift in the cocaine trade s axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe He charts the increasing sophistication of these criminal entities as they diversify into other products and markets He also reveals the astonishing increase in the

severity of violence as they have fought to protect and extend their power Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth able to see connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort Both heart racing and eye opening ZeroZeroZero is an investigative story like none other Praise for ZerZeroZero Saviano has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators Financial Times

**Italy beyond Gomorrah** Floriana Bernardi,2017-08-10 When Roberto Saviano published Gomorrah in 2006 he exposed the Camorra an organized crime network with global reach emanating from Naples This ground breaking work became an international best seller inspired a film and a new TV series The author received so many death threats from the Camorra that he remains under police protection Italy beyond Gomorrah investigates the conditions and modalities by which the huge media phenomenon developed around Roberto Saviano after the publication of Gomorrah and the ways in which this has engendered a political discourse starting from his denuncia of the mechanisms of the modern mafia and its bosses Focusing on Saviano s disruptive work and the representation of his charismatic body redefining the figure and task of the modern intellectual the book stresses the agency of literature and the relevance of the internet and major social networks in the creation of networks of subjectivities and establishing ethical political duties which are grounded in a passional communication between the writer and his audience as well as on a micropolitics of affects Through the interpretation of Saviano s work it also provides provide a cross sectional insight into Italy in the post Berlusconi age

**Drug Wars and Covert Netherworlds** James H. Creechan,2021-12-07 Drug Wars and Covert Netherworlds describes the history of Mexican narco cartels and their regional and organizational trajectories and differences Covering more than five decades sociologist James H Creechan unravels a web of government dependence legitimate enterprises and covert connections

**The Piranhas** Roberto Saviano,2018-09-04 In Gomorrah a New York Times Book Review Notable Book of the Year Roberto Saviano revealed a true devastating portrait of Naples Italy under the rule of the Camorra a crime organization more powerful and violent than the Mafia In The Piranhas now a major motion picture the international bestselling author returns to his home city with a novel of gang warfare and a young man s dark desire to rise to the top of Naples s underworld Nicolas Fiorillo is a brilliant and ambitious fifteen year old from the slums of Naples eager to make his mark and to acquire power and the money that comes with it With nine friends he sets out to create a new paranza or gang Together they roam the streets on their motorscooters learning how to break into the network of small time hoodlums that controls drug dealing and petty crime in the city They learn to cheat and to steal to shoot semiautomatic pistols and AK 47s Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses Nicolas s strategic brilliance is prodigious and his cohorts rapid rise and envelopment in the

ensuing maelstrom of violence and death is riveting and impossible to turn away from In *The Piranhas* Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made *Gomorrah* a worldwide sensation With the openhearted rashness that belongs to every true writer Saviano returns to tell the story of the fierce and grieving heart of Naples Elena Ferrante

**The Spaces and Places of Horror** Francesco Pascuzzi, Sandra Waters, 2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places be they physical imagined or altogether imaginary In *The Philosophy of Horror No 1* Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience's innate fear of the unknown This notion recalls Freud's theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In *A Nightmare on Elm Street* teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger's labyrinthine lair an inescapable boiler room that enhances Freddie's powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth's *Hostel* films or as a way to mythicize the very origin of evil Bava's *Black Sunday* Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa's *Pulse* the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this anthology represents the first piece of relevant scholarship

**Addiction and Pastoral Care** Nicolas Roberts, 2018 Addiction can take many forms and there can hardly be a minister or a prison college or schools chaplain who will not have encountered its damaging effects on individuals their families and local communities In the UK in 2014 there were 3 300 drug related deaths and almost 9 000 alcohol related deaths 70% of offenders admit to a drug problem before prison and drug use is a major problem throughout the prison system Besides these compulsive behaviours of all kinds damage personal and communal wellbeing Clergy and pastoral workers are often in the front line caring for addicts and their families usually without any professional training This handbook from an experienced pastoral practitioner offers An exploration of the psychology of addiction A theological perspective on desire The nature of pastoral care with addicts Practical models of pastoral care Resources for professional care

**Narcocapitalism** Laurent de Sutter, 2017-11-27 What do the invention of anaesthetics in the middle of the nineteenth century the Nazis use of cocaine and the development of Prozac have in common The answer is that they're all products of the same logic that defines our contemporary era the age

of anaesthesia Laurent de Sutter shows how large aspects of our lives are now characterised by the management of our emotions through drugs ranging from the everyday use of sleeping pills to hard narcotics Chemistry has become so much a part of us that we can't even see how much it has changed us In this era being a subject doesn't simply mean being subjected to powers that decide our lives it means that our very emotions have been outsourced to chemical stimulation Yet we don't understand why the drugs that we take are unable to free us from fatigue and depression and from the absence of desire that now characterizes our psychopolitical condition We have forgotten what it means to be excited because our only excitement has become drug induced We have to abandon the narcotic stimulation that we've come to rely on and find a way back to the collective excitement that is narcocapitalism's greatest fear

### **Italian Crime Fiction in the Era of the Anti-Mafia**

**Movement** William Farina, 2020-03-13 Over the last three decades Italian crime fiction has demonstrated a trend toward a much higher level of realism and complexity The origins of the New Italian Epic as it has been coined by some of its proponents can be found in the widespread backlash against the Mafia sponsored murders of Sicilian magistrates which culminated with the assassinations of Judges Giovanni Falcone and Paolo Borsellino in 1992 Though beginning in the Italian language this prolific popular movement has more recently found its way into the English language and hence it has found a much wider international audience Following a brief yet detailed history of the cultural and economic development of Sicily this book provides a multilayered look into the evolution of the New Italian Epic genre The works of ten prominent contemporary writers including Andrea Camilleri Michael Dibdin Elena Ferrante and Massimo Carlotto are examined against the backdrop of various historical periods This past is prologue approach to contemporary crime fiction provides context for the creation of these recent novels and enhances understanding of the complex moral ambiguity that is characteristic of anti-mafia Italian crime fiction

**Watching Sympathetic Perpetrators on Italian Television** Dana Renga, 2019-02-11 This book offers the first comprehensive study of recent popular Italian television Building on work in American television studies audience and reception theory and masculinity studies Sympathetic Perpetrators and their Audiences on Italian Television examines how and why viewers are positioned to engage emotionally with and root for Italian television antiheroes Italy's most popular exported series feature alluring and attractive criminal antiheroes offer fictionalized accounts of historical events or figures and highlight the routine violence of daily life in the mafia the police force and the political sphere Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and for many across the globe highly addictive Taken as a whole this book investigates what recent Italian perpetrator television can teach us about television audiences and our viewing habits and preferences

**Contemporary Italian Narrative and 1970s Terrorism** David Ward, 2017-02-13 This book is about literary representations of the both left and right wing Italian terrorism of the 1970s by contemporary Italian authors In offering detailed analyses of the many contemporary novels that have terrorism in either their foreground or background it offers a

take on postmodern narrative practices that is alternative to and more positive than the highly critical assessment of Italian postmodernism that has characterized some sectors of current Italian literary criticism It explores how contemporary Italian writers have developed narrative strategies that enable them to represent the fraught experience of Italian terrorism in the 1970s In its conclusions the book suggests that to meet the challenge of representation posed by terrorism fiction rather than fact is the writer's best friend and most effective tool

**Mafia Movies** Dana Renga, 2019-07-15 The mafia has always fascinated filmmakers and television producers Al Capone Salvatore Giuliano Lucky Luciano Ciriaco De Marzio Roberto Saviano Don Vito and Michael Corleone and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early classics to the Godfather trilogy and contemporary Italian films and television series The only comprehensive collection of its type Mafia Movies treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition such as Boardwalk Empire and Mob Wives as well as a new roundtable section on Italy's other mafias in film and television written as a collaborative essay by more than ten scholars The edition also introduces a new section called Double Takes that elaborates on some of the most popular mafia films and TV shows e.g. The Godfather and The Sopranos organized around themes such as adaptation gender and politics urban spaces and performance and stardom

**Barrio San Siro** Paolo Grassi, 2024-06-25 Barrio San Siro Structural Violence in the Peripheries of Milan collects the results of five years of ethnographic research in San Siro one of Milan's largest public housing neighborhoods It is a study that moves from a relational conception of urban space to analyze the structural violence that affects the margins of the Lombard capital among the folds of the rhetoric of its development its rebirth and its regeneration Alongside second generation youngsters abandoned elderly people struggling committees associations politicians and officials Barrio San Siro develops a multi level interpretation that moves from everyday practices to local regional and national policies Like other Milanese peripheral neighborhoods San Siro emerges page after page as a multicultural socio spatial configuration at once the epitome of global conditions the intersection of diverging interests of social and institutional actors the result of a local history that has led to a post Fordist and neoliberal present A critical and reflexive narrative a monograph that from an urban margin elaborates its idea of the anthropology of the city

**Наркокапитализм** Лоран де Суттер, 2021 XIX **Fantastic Echoes in Contemporary Italian Literature** Angelo Castagnino, 2023-11-02 In Fantastic Echoes in Contemporary Italian Literature Castagnino argues that contemporary Italian fiction often uses fantastic tropes to address realistic concerns In doing so he establishes a connection between the tradition of Gothic and fantastic fiction and societal concerns over topics such as ecocriticism ecofeminism artificial intelligence transhumanism and personal and collective memory The study of among others Nicola Lagioia Simona Vinci Alessandro

Perissinotto and Michele Mari delivers a powerful rendition of the practical applications that fantastic and Gothic tropes have for an understanding of today's Italian fiction      *Zero zero zero* ,2013      **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** Modern Language Association of America,2008 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969      *Subject Index to Periodicals* ,2009      *ZeroZeroZero* Roberto Saviano,2020
