John Daniel Morell,1872 [High Fidelity & Audiocraft](#) ,1976 Contains Records in review **Span the World with Friendship** Douglas Bourn,Richard Palser,2025-06-02 Within the histories of progressive educational movements and youth work one organisation that rarely gets a mention is the Woodcraft Folk Founded in 1925 it has been consistently at the forefront of promoting radical social

change through education It played a role in breaking down the barriers between East and West during the Cold War in promoting a co educational and cooperative based approach to learning and in encouraging environmental activism at a time when it was unfashionable The Woodcraft Folk s evolving approach to education for social change is explored in Span the World with Friendship from a range of disciplinary perspectives including political and social theory cultural history anthropology educational theory and youth work theory Through investigation of published and primary sources including letters meeting records and oral testimonies contributors bring scholarship to a narrative that has often been uncritical Beginning with a biography of founder Leslie Paul chapters study the Folk s relationship to debates in the labour movement the extent to which the eugenics movement influenced its ideas and practices and how the folk songs and dances used within the organisation reflected wider social and cultural trends Internationalism is a key theme running through this book which concludes with a focus on how the Woodcraft Folk s progressive nature is moving it increasingly towards being a youth led movement

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer

**Deliver Me from Nowhere (Movie Tie-In)** Warren Zanes, 2025-09-23 The fascinating story behind the making of Bruce Springsteen s most surprising album Nebraska revealing its pivotal role in Springsteen s career now with a new afterword Soon to be a major motion picture starring Jeremy Allen White The Bear Brilliant For fans of American music Deliver Me from Nowhere makes a great ghost story The Boston Globe AN NPR BEST BOOK OF THE YEAR Without Nebraska Bruce Springsteen might not be who he is today The natural follow up to Springsteen s hugely successful album The River should have been the hit packed Born in the U S A But instead in 1982 he came out with an album consisting of a series of dark songs he had recorded by himself for himself But more than forty years later

Nebraska is arguably Springsteen's most important record the lasting clue to understanding not just his career as an artist and the vision behind it but also the man himself Nebraska is rough and unfinished recorded on cassette tape with a simple four track recorder by Springsteen alone in his bedroom just as the digital future was announcing itself And yet Springsteen now considers it his best album Nebraska expressed a turmoil that was reflective of the mood of the country but it was also a symptom of trouble in the artist's life the beginnings of a mental breakdown that Springsteen would only talk about openly decades after the album's release Warren Zanes spoke to many people involved with making Nebraska including Bruce Springsteen himself He also interviewed more than a dozen celebrated artists and musical insiders from Rosanne Cash to Steven Van Zandt about their reactions to the album Zanes interweaves these conversations with inquiries into the myriad cultural touchpoints including Terrence Malick's *Badlands* and the short stories of Flannery O'Connor that influenced Springsteen as he was writing the album's haunting songs The result is a textured and revelatory account of not only a crucial moment in the career of an icon but also a record that upended all expectations and predicted a home recording revolution
