Rockn Roll Deacutesillusion:

Guns N' Roses' Use Your Illusion I and II Eric Weisbard, 2007-01-01 It was the season of the blockbuster Between August 12 and November 26 1991 a whole slew of acts released albums that were supposed to sell millions of copies in the run up to Christmas Metallica Michael Jackson Pearl Jam Nirvana Garth Brooks MC Hammer and U2 all were competing for the attention of the record buying public at the same time But perhaps the most attention seeking act of all was Guns N Roses Their albums Use Your Illusion 1 and 2 released on the same day were both 75 minute sprawlers with practically the same cover design an act of colossal arrogance On one level it worked The albums claimed the top two chart positions and ultimately sold 7 million copies each in the US alone On another level it was a disaster This was an album that Axl Rose has been unable to follow up in fifteen years It signaled the end of Guns N Roses of heavy metal on the Sunset Strip and the entire 1980s model of blockbuster pop rock promotion Use Your Illusion marked the end of rock as mass culture In this book Eric Weisbard shows how the album has matured into a work whose baroque excesses now have something to teach us about pop and the platforms it raises and lowers about a man who suddenly found himself praised to the firmament for every character trait that had hitherto marked him as an irredeemable loser **The Grand Illusion** Chuck Panozzo, Michele Skettino, 2007 Chuck s personal website receives thousands of hits and he receives tremendous fan support from around the world Though books and movies on rock groups abound there are not yet any published books on either STYX or Chuck Panozzo His is an illuminating story written by Chuck one of the two original founders of one of the longest lasting arena bands in the history of rock n roll and co author and professional journalist Michel Skettino After 25 years of continual success in the music industry STYX remains an enormously successful rock band touring the world every year for the last fifteen and winning new fans around the world with each successive appearance With four consecutive triple platinum albums and 25 million in record sales a natural market exists for this new book title and with STYX millions of fans worldwide along with ongoing concerts being performed constantly in this country and abroad attracting even greater audiences and younger fans the telling of this story is both timely and is sure to speak to both gay audiences and adoring fans of rock and roll *Rock'n Roll Heaven* Philip Jacobs, 1999-08-18 *Hollywood, The Band* Steven Jordan Brooks, 2025-04-23 Steven Jordan Brooks brings you HOLLYWOOD The Band A Tale of Sex Drugs and Rock and Roll An electrifying journey through the 1970s music scene Steven Jordan Brooks with a background rooted in music and a passion for storytelling crafted HOLLYWOOD The Band to capture the essence of an era Inspired by his own experiences in the music industry and fueled by a desire to look into the complexities of fame and fortune he takes readers on a wild ride through the highs and lows of rock and roll Hollywood represents more than just a band in this captivating story it symbolizes ambition determination and the chase for dreams Set against the backdrop of cultural upheaval the band navigates through a maze of challenges from the pressures of fame to the temptations of excess As they strive to secure a record deal they confront their own demons and

confront the harsh realities of an industry built on illusion Amidst the chaos of sex drugs and rock and roll Brooks creates a story that feels genuine and full of intense feelings With his descriptive writing readers are taken back to a period when music was a rebellion and each note touched the souls of countless people Takeaway lessons from HOLLYWOOD The Band are as diverse as the issues it explores From the importance of staying true to oneself to the perils of succumbing to temptation Brooks offers insights that transcend the pages of his book Readers will find themselves reflecting on the power of music the allure of fame and the sacrifices required to achieve greatness With HOLLYWOOD The Band Steven Jordan Brooks invites readers to experience the thrill of the stage the agony of defeat and the ecstasy of triumph It s a roller coaster ride of emotions that leaves an indelible mark on the soul reminding us that sometimes the journey is more important than the destination So grab your copy of HOLLYWOOD The Band A Tale of Sex Drugs and Rock and Roll today and set on a rock and roll odyssey like no other Let the music play and the stories unfold as you lose yourself in the magic of HOLLYWOOD
