Outline to the Pauline Epistles Including An Outline to the Epistle of Hebrews Leland McClanahan, 2013-09-30 Dr Leland McClanahan a pastor scholar and theologian divides An Outline of the Book of Psalms into five groups each of which corresponds with the Pentateuch or first five books of the bible Other publications of similar titles are pale by comparison to Dr McClanahan s version He also wrote An Outline of the Book of the Prophet Isaiah Arch Bishop Leland McClanahan service of almost eight decades culminated with the charter of Chapel Christian University November 1990 His publications and credentials are too numerous to list His ability to rapid scan read the bible daily from Genesis to Revelation is noteworthy He is counted among the most conservative theologian of the twenty first century with more than thirty unpublished textbook ready to publish pending funding or donations Dr Leland McClanahan holds many degrees He has served congregations in Indiana and Florida and is currently President of Chapel Christian University in Merritt Island Florida The Anointed ONE Mark Brand, 2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He s in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It s incredible how many places in God s Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen **The First Chapters** Charles E. Hill, 2022 The First Chapters uncovers the origins of the first paragraph or chapter divisions in copies of the Christian Scriptures Its focal point is the magnificent fourth century Codex Vaticanus Vat gr 1209 B 03 perhaps the single most significant ancient manuscript of the Bible and the oldest material witness to what may be the earliest set of numbered chapter divisions of the Bible The First Chapters tells the history of textual division starting from when copies of Greek literary works used virtually no spaces marks or other graphic techniques to assist the reader It explores the origins of other numbering systems like the better known Eusebian Canons but its theme is the first set of numbered chapters in Codex Vaticanus what nineteenth century textual critic Samuel P Tregelles labelled the Capitulatio Vaticana It demonstrates that these numbers were not as most have claimed late additions to the codex but belonged integrally to its original production The First Chapters then breaks new ground by showing that the Capitulatio Vaticana has real precursors in some much earlier manuscripts It thus casts light on a long continuous tradition of scribally placed visual guides to the reading and interpreting of Scriptural books Finally The First Chapters exposes abundant new evidence that this early system for marking the sense divisions of Scripture has played a much greater role in the history of exegesis than has previously been imaginable

Synopsis Purioris Theologiae / Synopsis of a Purer Theology, 2014-09-11 This bilingual edition of the *Synopsis Purioris Theologiae* 1625 makes available for the first time to English readers a seminal treatise of Reformed Scholasticism Composed by four professors of Leiden University Johannes Polyander Andreas Rivetus Antonius Walaeus and Anthonius Thysius it gives an exhaustive yet concise presentation of Reformed theology as it was conceived in the first decades of the seventeenth century From a decidedly Reformed perspective the Christian doctrine is defined in contrast with alternative or opposite views Catholic Spiritualist Arminian Socinian Both on the academic level and on the ecclesiastical level the *Synopsis* responds to challenges coming from the immediate context of the early seventeenth century The disputations of this first volume cover topics such as Scripture doctrine of God Trinity creation sin Law and Gospel Volume One was published in 2014 Volume Two came out in 2016 Volume Three the final volume is expected late 2019 **The Meaning of Ephesians** Edgar J. Goodspeed, 2012-03-07 About the Contributor s Edgar J Goodspeed 1871 1962 was Ernest DeWitt Burton Distinguished Service Professor of New Testament at the University of Chicago He published more than sixty books including *The New Testament An American Translation* *An Introduction to the New Testament* *A History of Early Christian Literature* and Pau **Ramus, Pedagogy and the Liberal Arts** Emma Annette Wilson, 2016-04-08 Most early modern scholars know that Petrus Ramus 1515 1572 is important but may be rather vague as to where his importance lies This new collection of essays analyses the impact of the logician rhetorician and pedagogical innovator across a variety of countries and intellectual disciplines reappraising Ramus in the light of scholarly developments in the fifty years since the publication of Walter Ong s seminal work *Ramus Method and the Decay of Dialogue* Chapters reflect the broad impact of Ramus and the Ramist method of teaching across many subjects including logic and rhetoric pedagogy mathematics philosophy and new scientific and taxonomic developments in the sixteenth and seventeenth centuries There is no current work that offers such a broad survey of Ramus and Ramism or that looks at him in such an interdisciplinary fashion Ramus influence extended across many disciplines and this book skillfully weaves together studies in intellectual history pedagogy literature philosophy and the history of science It will prove a useful starting point for those interested in Ramus and his impact as well as serving to redefine the field of Ramist studies for future scholars **A Guide to Bible Study** Harry E. Richards, 1914 Paul's Witness to Formative Early Christian Instruction Benjamin A. Edsall, 2014-04-08 Benjamin A Edsall re opens the old quest for the preaching and teaching of the early Church through a new approach that draws on ancient communication practices Given that ancient communicators relied explicitly on what they presumed their interlocutors to know the author reconstructs early Christian instruction through Pauline appeals to previous knowledge both explicit and implicit God is One Christopher R. Bruno, 2014-03-27 In discussions of Paul s letters much attention has been devoted to statements that closely identify Christ with Israel s God i e 1 Cor 8 6 However in Rom 3 30 and Gal 3 20 Paul uses the phrase God is one to link Israel s monotheistic confession and the inclusion of the Gentiles in the people of God Therefore this study traces the OT

and early Jewish backgrounds of the phrase God is one and their possible links to Gentile inclusion Following this Christopher Bruno examines the two key Pauline texts that link the confession of God as one with the inclusion of the Gentiles Bruno observes a significant discontinuity between the consistent OT and Jewish interpretations of the phrase and Paul's use of God is one in relation to the Gentiles In the both the OT and early Jewish literature the phrase functions as a boundary marker of sorts distinguishing the covenant people and the Gentiles The key exception to this pattern is Zech 14 9 which anticipates the confession of God as one expanding to the nations Similarly in Romans and Galatians the phrase is not a boundary marker but rather grounds the unity of Jew and Gentile The contextual arguments in Rom 3 30 and Gal 3 20 lead to the conclusion that Paul's monotheism must now be understood in light of the Christ event moreover Zech 14 9 may play a significant role in the link between Paul's eschatological monotheism and his argument for the inclusion of the Gentiles in Romans and Galatians

Heavenly Stories Alexander

Kocar, 2021-07-30 Salvation is often thought to be an all or nothing matter you are either saved or damned In the ancient world some figures including Paul the Apostle John of Patmos Hermas the Sethians and the Valentinians did not think this way however For them there were multiple levels of salvation Examining the reasons and implications for why these important thinkers believed that salvation comes in degrees *Heavenly Stories* offers a fresh perspective on ancient thinking about responsibility especially as it intersects with concerns such as genealogy and determinism It shows why Jews and Christians of various kinds some eventually declared orthodox others heretical correlated ethics and soteriology and argued over how this should be done By constructing a difference between a lower and higher level of salvation ancient authors devised soteriological hierarchies that could account for ethical imperfections and social differentiation between their communities and outsiders as well as reinforce idealized portrayals of conduct among members of their own groups Alexander Kocar asks how these thinkers identified and described these ethical and social differences among people what commitments motivated them to make such distinctions what were the social effects of different salvific categories and ethical standards and what impact did hierarchically structured soteriologies have on notions of ethical responsibility His

findings have repercussions for the study of ancient ethics especially free will and responsibility our understanding of orthodoxy and heresy and scholarly debates surrounding the origins of Christianity as a movement that allegedly transcends ethnic boundaries
