Covenant Theology and Justification by Faith Jeong Koo Jeon, 2006-05-23 This study explores the Shepherd Controversy 1975 1982 and the contemporary debate on covenant and justification by faith from the perspectives of historical systematic and biblical theology The distinctive contribution lies in the identification that the Shepherd Controversy as a logical outcome of rejecting the distinction between Law and Gospel at Westminster Seminary in Philadelphia The larger problem is that Norman Shepherd and other associated theologians reject the distinction between Law and Gospel injecting their monocovenantalism into the theologies of Calvin the Westminster Standards and Murray The result has been hermeneutical and theological confusion among some of the followers of the Union with Christ School scholars Reformed theologians led by Greg Bahnsen Auburn Avenue theologians and pastors are also monocovenantalists and have been influenced by the Union with Christ School scholars directly and indirectly Their common denominator is the

rejection of the distinction between Law and Gospel in their analysis and understanding of covenant and justification by faith. Having been influenced by the Union with Christ School scholars at Westminster Seminary in Philadelphia, some scholars began to adopt the hermeneutics and theology of the New Perspective on Paul, which is anti-Reformational and anti-Pauline. The adaptation of the New Perspective on Paul among some of the followers of the Union with Christ School is a logical step because both of them reject the distinction between Law and Gospel, which was a key hermeneutical and theological tool during the sixteenth-century Protestant Reformation against the background of the medieval legalistic religion. *Surprised by Truth* 3 Patrick Madrid, 2002. Ten former Protestants tell why they chose the Catholic Church. **Absent from the Body, Present with the Lord** Thomas J. Gentry II, 2019-04-29. What happens when Christians die? Some conclude that purgatory, a place of final purging and purification, is what awaits most believers after death in order to prepare for them to eventually fully enjoy God in heaven. But is purgatory what the Bible teaches? What are the theological implications of purgatory? Is purgatory as some claim a rational conclusion based on human freedom and moral transformation? In this introductory consideration to the topic of what Christians experience after death, it will be argued that there are clear biblical, theological, and rational reasons to reject any teaching of purgatory. Rather than anticipating a time of future purgation, the joyful expectation of every Christian is that at the moment of death, to be absent from the body is to be present with the Lord.

Canon Revisited Michael J. Kruger, 2012. Exploring the history of the New Testament text from a theological perspective, Michael Kruger helps Christians understand the facts behind their faith and the legitimacy of the New Testament Scriptures.

Predestination Peter J. Thuesen, 2009-07-06. Predestination: the idea that God foreordains one's eternal destiny is one of the most fascinating and controversial doctrines in Christianity. In this groundbreaking history, the first of its kind, Peter Thuesen shows that far from being only about the age-old riddle of divine sovereignty versus human free will, the debate over predestination is inseparable from other central Christian beliefs and practices: the efficacy of the sacraments, the existence of purgatory and hell, the extent of God's providential involvement in human affairs, and has fueled theological conflicts across denominations for centuries. **Protestants & Catholics: Do They Now Agree?** John Ankerberg, John Weldon, 2012-03-02.

Protestants and Catholics have battled for centuries over how a sinful man is forgiven by a holy, righteous God. Some of evangelical Christianity's most highly respected leaders have linked hands with Catholics in an unprecedented accord by signing an agreement entitled *Evangelical Catholics Together*. Have doctrinal differences been eliminated? What was decided about justification by faith, the one issue upon which Martin Luther said the church stands or falls? Which side changed its views? The authors delve into the history of the Catholic Church, discuss the sacraments, penance, confession, the rosary, indulgences, purgatory. **Good News, Bad News** C. John McCloskey, 2011-04-26. Fr. John McCloskey has become a famous convert maker in the powerful corridors close to the White House. Church Councils Paul Senz, 2023-04-15 From the days of the apostles the Church's pastors and teachers have met when necessary to defend and explain the Catholic faith. From the Council of Jerusalem in the Acts of the Apostles through the Councils of Nicaea, Constantinople, Trent, and Vatican II, these meetings of the world's bishops are some of the most important events in the life of the Church and the most profound expressions of the Church's teaching authority. More than a history of the twenty-one ecumenical councils, this question and answer book provides a practical and theological explanation of them. It provides the historical context that led to each council, the reasons it was convened, the major events that happened during the council, and the impact of its teachings then and now. While surveying some of the most important issues and controversies in the history of the Church, the author also explains and defends the teaching authority of the bishops as successors to the apostles, particularly when teaching together as a single united body in union with the pope.
