Gently Under Fire Alan Hunter, 2014-03-06 Trouble seems to follow Chief Superintendent George Gently even on a French vacation While day dreaming by the quaint old harbour in Honfleur violence strikes First he is thrown into the water then shortly afterwards someone tries to shoot him narrowly missing him on two occasions Gently is mystified as are the Honfleur police He knows of no enemies French or English or of any reason why anyone should be after him Local police think he may have upset the plans of a thief stalking the Antiques Fair just opening in Honfleur but senior officials from Paris have a much graver theory In company with the charming Gabrielle Orbec who may or may not be an accomplice of Gently s attacker Gently plays the role of decoy Apparently just a sightseer on the beaches of Normandy and in the sunlit cobbled market squares Gently with the French Surete close behind lays a trap for a very much wanted man

"Music and the Performance of Identity on Marie-Galante, French Antilles " Ron Emoff, 2017-07-05 Marie Galante is a small island situated in the Caribbean to the south of Guadeloupe The majority of Marie Galantais are descendants of the slave era though a few French settlers also occupy the island Along with its neighbours Guadeloupe and Martinique Marie Galante forms an official d rtement of France Marie Galante historically has never been an independent polity Marie Galantais express sentiments of being deux fois colonis or twice colonized concomitant with their sense of insularity from a global organization of place Dr Ron Emoff translates this pervasive sense of displacement into the concept of the non nation Musical practices on the island provide Marie Galantais with a means of re connecting with other

significant distant places Many Marie Galantais display a split subjectivity embracing an African heritage a French association and a Caribbean regionalism This book is unique in part with regard to its treatment of a particular mode of self consciousness expressed musically on a virtually forgotten Caribbean island The book also combines literary narrative historical and musical sources to theorize a postcolonial subsurreal in the French Antilles The focus of the book is upon kadril dance and gwo ka drumming two prevalent musical practices on the island with which Marie Galantais construct unique perceptions of self in relation specifically to Africa and France Based on several extended periods of ethnographic research the book evokes unique Marie Galantais views on tradition historicity esclavage nationalism and its absence and the local significance of occupying a globally out of the way place The book will be of interest not only to ethnomusicologists but also to those interested in cultural and linguistic anthropology postcolonial studies performance studies folklore and Caribbean studies
