Christianson, Leslee Thorne-Murphy, 2017-10-19 Offers a clearer insight into the scope and function of philanthropy in political and private life and the impacts that women writers and activists had Edith Wharton Review From the mid nineteenth century until the rise of the modern welfare state in the early twentieth century Anglo American philanthropic giving gained an unprecedented measure of cultural authority as it changed in kind and degree Civil society took on the responsibility for confronting the adverse effects of industrialism and transnational discussions of poverty urbanization and women's work and sympathy provided a means of understanding and debating social reform While philanthropic institutions left a transactional record of money and materials philanthropic discourse yielded a rich corpus of writing that represented rationalized and shaped these rapidly industrializing societies drawing on and informing other modernizing discourses including religion economics and social science Showing the fundamentally transatlantic nature of

this discourse from 1850 to 1920 the authors gather a wide variety of literary sources that crossed national and colonial borders within the Anglo American range of influence Through manifestos fundraising tracts novels letters and pamphlets they piece together the intellectual world where philanthropists reasoned through their efforts and redefined the public sector

Memoirs of the Villars Family; or, the Philanthropist: a novel Harriett Waller WEEKS,1815 A Philanthropist Josephine Daskam Bacon,2020-03-16

In her novel *A Philanthropist* Josephine Daskam Bacon intricately weaves a narrative that explores the complexities of altruism and personal sacrifice Set against the backdrop of early 20th century America the book employs a keen blend of realism and psychological depth capturing the nuanced interactions between the protagonist and her societal context Bacon s articulate prose invites readers to grapple with the moral dilemmas faced by those who seek to better the world while navigating the limitations imposed by societal expectations and personal desires Josephine Daskam Bacon a prominent figure in the literary landscape of her time was influenced by her own experiences in philanthropy and social reform As a member of the Progressive Era Bacon s writings reflect her advocacy for women s issues and her deep interest in social justice themes that permeate her work Her keen observations of contemporary society supplemented by her personal insights into the charitable endeavors of her peers provide a rich foundation for the moral dialogues presented in *A Philanthropist* This profound exploration of philanthropy and human connection makes *A Philanthropist* a compelling read for those interested in the intersections of social ethics and personal agency Bacon s eloquent narrative encourages readers to reflect on their own values and the impact of their contributions to society making this book an essential addition to the canon of early feminist literature

Philanthropy in British and American Fiction Frank Christianson,2007-11-28

During the 19th century the U S and Britain came to share an economic profile unparalleled in their respective histories This book suggests that this early high capitalism came to serve as the ground for a new kind of cosmopolitanism in the age of literary realism and argues for the necessity of a transnational analysis based upon economic relationships of which people on both sides of the Atlantic were increasingly conscious The nexus of this exploration of economics aesthetics and moral philosophy is philanthropy Pushing beyond reductive debates over the benevolent or mercenary qualities of industrial era philanthropy the following questions are addressed what form and function does philanthropy assume in British and American fiction respectively What are the rhetorical components of a discourse of philanthropy and in which cultural domains did it operate How was philanthropy practiced and represented in a period marked by self interest and rational calculation The author explores the relationship between philanthropy and literary realism in novels by Charles Dickens Nathaniel Hawthorne George Eliot and William Dean Howells and examines how each used the figure of philanthropy both to redefine the sentiments that informed social identity and to refashion their own aesthetic practices The heart of this study consists of two comparative sections the first contains chapters on contemporaries Hawthorne and Dickens the second contains chapters on second generation realists Eliot and Howells in order to examine the altruistic imagination at a culminating point in the

history of literary realism **The Ragged Trousered Philanthropist** Robert Tressell, 2011-12-06 The Ragged Trousered Philanthropists is a novel by Robert Tressell first published in 1914 after his death in 1911 An explicitly political work it is widely regarded as a classic of working class literature The hero of the book Frank Owen is a socialist who believes that the capitalist system is the real source of the poverty he sees all around him In vain he tries to convince his fellow workers of his world view but finds that their education has trained them to distrust their own thoughts and to rely on those of their betters Einstein Books edition of The Ragged Trousered Philanthropist contains supplementary texts On Poverty by Robert Tressell The Great Money Trick by Robert Tressell The Communist Manifesto by Karl Marx and Friedrich Engels **Philanthropy and Early Twentieth-Century British Literature** Milena Radeva-Costello, 2019-01-15 Philanthropy and Early Twentieth Century British Literature explores the relationship between British literature and philanthropy at the end of the nineteenth and early twentieth centuries examining the works of E M Forster Rebecca West W B Yeats Roger Fry Wyndham Lewis Virginia Woolf and Vita Sackville West This book considers how writers in the modernist period drew on the liberal welfare reforms the adoption of scientific methods in charity the Cambridge tradition of public service the Irish nationalist movement and the influence of the Victorian woman philanthropist in order to advocate for an individualist art revolutionize their aesthetics redefine ideals of hospitality and beneficence and affirm the national social and economic liberation of the modern subject Contrary to popular interpretations presenting modernism as a break with Victorian values Dr Radeva Costello argues philanthropic engagements are at the heart of early twentieth century literature The writers discussed in this book had a sophisticated knowledge of the philanthropy debates and of their power to transform twentieth century notions about how to govern how to conceive of national class and gender boundaries and how to market the work of the professional artist in the real world In keeping with the strong archival and historicizing approach of the New Modernist Studies of recent years this book also analyses the rich contextual detail of early modernist magazines contemporary and archival periodicals and government publications *Home in British Working-Class Fiction* Dr Nicola Wilson, 2015-05-28 Home in British Working Class Fiction offers a fresh take on British working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen Examining key works by Robert Tressell Alan Sillitoe D H Lawrence Buchi Emecheta Pat Barker Jeanette Winterson and James Kelman among many others Nicola Wilson demonstrates the importance of home's role in the making and expression of class feeling and identity

Philanthropy in Toni Morrison's Oeuvre Rico Hollmach, 2018-11-07 This book examines Toni Morrison's highly influential works through the lens of philanthropy The point of departure of this endeavor is the keen observation that philanthropy has always played a leading role in US discourses about the nation itself While doing so time and again philanthropy has also been used as a means of social stratification especially for so called social minorities such as the African American community whose historical experience within the United States is at the very heart of Morrison's novels This book pursues

the goal of a twofold understanding on the one hand through offering a rather innovative access to Morrison's works the project allows for new insights into one of today's most influential authors On the other hand this book explores the productivity of the concept of philanthropy for literary and cultural studies a concept hitherto largely neglected by scholars in both academic fields **Vocational Philanthropy and British Women's Writing, 1790-1810** Patricia

Comitini, 2017-05-15 Patricia Comitini's study compels serious rethinking of how literature by women in the late eighteenth and early nineteenth centuries should be read Beginning with a description of the ways in which evolving conceptions of philanthropy were foundational to constructions of class and gender roles Comitini argues that these changes enabled a particular kind of feminine benevolence that was linked to women's work as writers The term vocational philanthropy is suggestive of the ways that women used their status as professional writers to instruct men and women in changing gender relations and to educate the middling and laboring classes in their new roles during a socially and economically turbulent era Examining works by Hannah More Mary Wollstonecraft Maria Edgeworth and Dorothy Wordsworth whose writing crosses generic political and social boundaries Comitini shows how women from diverse backgrounds shared a commitment to philanthropy fostering the love of mankind and an interest in the social nature of literacy Their writing fosters sentiments that they hoped would be shared between the sexes and among the classes in English society forging new reading audiences among women and the lower classes These writers and their writing exemplify the paradigm of vocational philanthropy which gives people not money but texts to read in order to imagine societal improvement The effect was to permit the emergence of middle class values linking private notions of morality family and love to the public needs for good citizens industrious laborers and class consolidation The Feminine Political Novel in Victorian England Barbara Leah

Harman, 1998 In this book Barbara Leah Harman convincingly establishes a new category in Victorian fiction the feminine political novel By studying Victorian female protagonists who participate in the public universe conventionally occupied by men the world of mills and city streets of political activism and labor strikes of public speaking and parliamentary debates she is able to reassess the public realm as the site of noble and meaningful action for women in Victorian England Harman examines at length Brontë's Shirley Gaskell's North and South Meredith's Diana of the Crossways Gissing's In the Year of Jubilee and Elizabeth Robins's The Convert reading these novels in relation to each other and to developments in the emerging British women's movement She argues that these texts constitute a countertradition in Victorian fiction neither domestic fiction nor fiction about the public fallen woman these novels reveal how nineteenth century English writers began to think about female transgression into the political sphere and about the intriguing meanings of women's public appearances *Christmas Collection - The Best Holiday Novels, Stories, Carols & Legends* Selma Lagerlöf, Charles Dickens, Mark Twain, Harriet Beecher Stowe, Martin Luther, Robert Louis Stevenson, William Shakespeare, Henry Wadsworth Longfellow, William Wordsworth, Carolyn Wells, Sophie May, Louisa May Alcott, Henry Van Dyke, Walter Scott, Anthony
