Brutalism as Found Nicholas Thoburn,2024-03-19 A critical appropriation of Brutalism in the crisis conditions of today The Robin Hood Gardens public housing estate in East London completed in 1972 was designed by Alison and Peter Smithson as an ethical and aesthetic encounter with the flux and crises of the social world Now demolished by the forces of speculative development this Brutalist estate has been the subject of much dispute But the clich d terms of debate a concrete monstrosity or a

modernist masterpiece have marginalized the estate's residents and obscured its architectural originality Recovering the social in the architectural this book centers the estate's lived experience of a multiracial working class not to displace the architecture's sensory qualities of matter and form but to radicalize them for our present Immersed in the materials atmospheres social forms and afterlives of this experimental estate Robin Hood Gardens is reconstructed here as a socio architectural expression of our times out of joint *Popeye* Fred M. Grandinetti, 2004-08-12 It's a rare comic character who can make audiences laugh for well over half a century but then again it's a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar's gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar's Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a thoroughly updated and revised edition of the highly acclaimed 1994 work Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman's 1980 live action film and Popeye memorabilia *"Un-American" Hollywood* Frank Krutnik, 2007 Un American Hollywood debates the blacklist era and the aesthetic and political work of the Hollywood Left Featuring case studies focusing on contexts of production and reception it offers perspectives on the role of progressive politics within a capitalist media industry
