Future Music, 2005 *Electronic Musician*, 1993 *Petrified* Joshua Wodak, 2025-04-01 A rupture of life on Earth is currently unfolding. What then does this rupture signify not only in terms of being alive during such an upheaval but also in terms of being alive to upheaval itself? Petrified Living During a Rupture of Life on Earth takes the reader on a journey deep into the nature of our home to give us the tools to learn how in the middle of that rupture to comport ourselves with honesty, clarity, culpability and intelligence. The purpose of this journey is straightforward: to formulate the basis of a philosophy for living during this rupture of life on earth. A philosophy for living in the twenty-first and last century of life as we have known it on our planet. A toolkit as it were for living at the confluence between being petrified at the prospect of extinction and becoming petrified in the most real and physical sense. Lyrical, playful and deadly serious, Petrified aims to provide a new worldview for a new world coming, creating a present-day fable about achieving fidelity to the vicissitudes of the cosmos. Wherein the book asks if desperate times call for desperate measures, how can the response be measured against its only true correlate, the cosmos.
