Role Model Essay

This paper example uncovers the main arguments and facts regarding Role Model. Find out about Role Model in this paper.

Many of us have role models in our lives and to most people role models are athletes and movie stars, but to me a role model is much more. To me a role model is a person who has positively influenced someone in life, and is not a person filled with selfishness and greed. They help shape someone's personality, and characteristics. They are people who someone can look up to for advice in a hard situation, and know that they will give those words of wisdom. My mom's ambition to succeed in life has allowed her to grow into a wonderful person full of kindness and knowledge. Ambition is a great virtue to have, and that is one reason why my mother is my role model.

My mother is a hard worker, she never complains about her life also, she always gets what she wants. If I ever need my mom's advice or help she will be always there for me even today. My mother is a wise, smart and educated person, she has not any masters degree and for me she's an example of what intelligent person should be like. Sometimes she comes home tired from work, and she still makes time for her family. She makes sure that we have done our homework and is always making sure we have everything that we need. I learned from my mother that if I work hard, I w
