**When Supernatural Battles Became Commonplace: Volume 1** Kota Nozomi, 2022-02-14 Andou Jurai is a second year highschooler with the mind of an eighth grade edgelord His self indulgent fantasies and over the top antics make him a constant pain in the neck for his friends in the literary club until that is they all suddenly awaken to spectacular supernatural powers Their godlike abilities include stopping time manipulating the elements creating matter from nothing subverting the

very laws of reality and producing black fire that doesn't burn. Some superpowers are more godlike than others. Andou's read enough comics to know what comes next; it's only a matter of time before they'll be dragged into life or death battles with the fate of the world itself at stake. The world, however, disagrees. There are no villains, no battles, no earth-shattering disasters, nothing whatsoever. Half a year later, the literary club finds themselves confronting a new question: what do you do with supernatural powers when your day-to-day life is as commonplace as ever.
