Quota Quickies Steve Chibnall, 2019-07-25 This book the first of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation The Hot Guide to a Cool, Sexy Menopause Barbara Dehn, 2014-05-15 Menopause can impact a woman's life in a variety of ways the experiences of which are as varied and unique as each woman who is experiencing them Nurse Barb wants every woman to know that this is no longer their grand mothers generation there s no need to just accept whatever comes their way Vitality zest and yes a sexy outlook on life are within every woman s reach The Hot Guide to a Cool Sexy Menopause is an extension of what Nurse Barb offers her own patients which is relatable information easy to understand explanations and a varied menu of options The author doesn t believe in telling women what to do when the hormonal roller coaster of menopause presents a challenge Instead she believes in helping women find their own best path to total health Menopause isn t the end nor is it something to be endured like a root canal Menopause is a new beginning and it can be one of the most rewarding times in a woman's life There's a great deal to look forward to during this part of the journey and beyond Nurse Barb provides a wealth of advice to guide you along your way Each chapter of the book covers a different aspect of the menopause transition Rounding out the practical information are true life stories about women who have experienced the physical emotional and spiritual challenges and how they navigated this journey growing stronger more empowered and healthier A cool and sexy menopause is just a read away A Wicked Encounter Ivy Collins, 2020-03-07 Enjoy this steamy comedic series about tabletop gamers in love by geeky romance author Ivy Collins What happens at TowerCon stays at TowerCon Luke West is just my flavor of blond delicious lawful evil bad boy Or at least that s the character he plays I ve got no idea what he s like in real life but that doesn t matter we re both at a local gaming convention and in the mood for a one night stand Or at least that s what I thought was going on Unfortunately when I wake up the next morning I ve got a bad hangover and a fuzzy recollection of crying all over our wicked evil cleric I m mortified and worse unsatisfied But at least I m positive I ll never see the guy again outside of the convention circuit I figure the embarrassed feeling is mutual but Luke s got other plans He tracks me down and proposes a date gamer style he s headed to
